Each Owner agrees to timely pay to the Association: (a) annual assessments or charges; (b) special assessments; (c) specific assessments and (d) all other assessments or charges levied against any particular Lot, which are established and levied pursuant to the terms of this Declaration. Each Owner also agrees to pay reasonable fines as may be imposed in accordance with the terms of this Declaration.

BK012073PG01394

the principal amount due), and costs, including without limitation, reasonable attorneys' fees actually incurred. The assessments and charges shall be a continuing lien upon the Lot actually incurred. The assessments and charges shall be a continuing lien upon the Lot against which each assessment is made, and shall also be the personal obligation of the person who was the Owner of such Lot at the time the assessment fell due.

4.4. Personal Liability. Each Owner shall be personally liable for the portion of each assessment coming due while the Owner of a Lot, and each grantee of an Owner shall be jointly and severally liable for the assessments which are due at the time of conveyance; however, the liability of a grantee for the unpaid assessments of its grantor shall not apply to any first Mortgagee taking title through foreclosure proceedings.

4.5. Certificate of Payment. The Association shall, within ten (10) business days after receiving a written request, furnish a certificate signed by an officer of the Association setting forth whether the assessments, other charges, and fines on a specified Lot have been paid. A properly executed certificate shall be binding upon the Association, the Board, and the Owner as of the date of issuance. The Board shall have the right to impose a reasonable charge for providing this certificate.

4.6. Annual Assessments. Annual assessments shall be levied equally on all similarly situated Lots and shall be paid in such manner and on such dates as may be fixed by the Board. The Board may allow annual assessments to be paid through periodic payments, and the Board shall have the right to accelerate any unpaid annual installments in the event an Owner is delinquent. Unless otherwise provided by the Board, the assessment shall be paid in quarterly installments.

4.7. Computation of Annual Assessments. The Board shall prepare a proposed budget covering the estimated costs of operating the Association during the coming year, which may include a capital contribution or reserve. The Board shall set a date for a meeting of the Owners to consider ratification of the budget, such meeting to be held not less than ten (10) nor more than thirty (30) days after the mailing of the notice. The Board shall cause the proposed budget, the assessments, and a notice of the meeting to consider ratification of the budget, including a statement that the budget may be ratified without a quorum, to be mailed or delivered to each member at least thirty (30) days prior to the end of the current fiscal year. Quorum need not be present at the meeting. The budget and the assessment shall become effective unless disapproved at such meeting by the Owners entitled to cast at least eighty percent (80%) of the votes of the Association. In the event the membership disapproves the proposed budget, or the Board fails to establish a budget for the succeeding year, the budget in effect for the then current year shall continue for the succeeding year until changed by the Board. In the event the Board's budget is disallowed, the Board shall have the right to make a new budget retroactive to the start of the fiscal year.

4.8. Special Assessments. In addition to the other assessments authorized by this Declaration, the Association may levy special assessments from time to time. Special assessments must be approved at a meeting by at least two-thirds (2/3) of the Total Association Vote. Special assessments shall be paid as determined by the Board, and the

BK012073PG01395

Board may permit special assessments to be paid in installments extending beyond the fiscal year in which the special assessment is imposed.
year in which the special assessment is imposed.

4.9. Lien for Assessment. All assessments and charges provided for herein, together with interest, and late fees, costs and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the Lot against which each such assessment is made when a claim of lien is filed of record in the Office of the Clerk of Superior Court, Wake County, North Carolina.

4.10. Personal Obligation. Each such assessment and charge, together with interest, any late fees, fines, costs and reasonable attorney's fees, shall also be the personal obligation of the Owner(s) of such Lot at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to successors in title unless expressly assumed by them.

4.11. Effect of Nonpayment of Assessment. Any assessments (or installments) which are not paid when due shall be delinquent. Any assessment (or installment) which is delinquent for a period of more than ten (10) days shall incur a late charge in an amount set by the Board. If the Assessment is not paid within thirty (30) days, a lien shall attach upon filing a claim of lien in the office of the Clerk of Superior Court in the county in which the Lot is located. The lien shall set forth the name and address of the Association, the name of the Owner of the Lot, a description of the Lot, and cover all assessments then due or which come due until the lien is canceled of record, and any other amounts provided in this Declaration or permitted by law. In the event that the assessment remains unpaid after thirty (30) days, the Association may institute suit to collect such amounts and foreclose its lien. The Association shall have the right to foreclose its lien by any method allowed by law. The Association shall have the power to bid on the Lot at any foreclosure sale or to acquire, hold, lease, mortgage, or convey the same.

4.12. No Setoff or Deduction. No Owner may waive or otherwise exempt himself from liability for the assessments provided for in this Declaration. No setoff, diminution, or abatement of any assessment shall be claimed or allowed by reason of any alleged failure of the Association to take some action, for inconvenience or discomfort arising from the making of repairs or improvements which are the responsibility of the Association, or from any action taken by the Association to comply with any law, ordinance, or with any order or directive of any municipal or other governmental authority. The obligation to pay assessments is a separate and independent covenant on the part of each Owner and is not subject to setoff.

4.13. Application of Payments. All payments shall be applied first to costs, then to late charges, then to interest, and then to delinquent assessments.

4.14. Date of Commencement of Assessments. As to each Lot, assessments shall start on the first day of the month following the sale of the Lot to a Person other than a Builder. The first annual assessment shall be adjusted according to the number of days then remaining in that fiscal year.

BK012073PG01396

4.15. Specific Assessment. Pursuant to this Section, the Board shall have the power to specifically assess as it shall deem appropriate, in its sole discretion. Failure of the Board to specifically assess as it shall deem appropriate, in its sole discretion. Failure of the Board to exercise its authority under this Section shall not be grounds for any action against the Association or the Board of Directors and shall not constitute a waiver of the Board's right to exercise its authority under this Section in the future. The Board may also specifically assess Owners for the following Association expenses (except for expenses incurred for maintenance and repair of items which are the Association's maintenance responsibility):

a. Expenses of the Association which benefit less than all of the Lots may be specifically assessed equitably among all of the Lots which are benefitted according to the benefit received; and

b. Expenses of the Association which benefit all Lots, but which do not provide an equal benefit to all Lots, may be assessed equitably among all Lots according to the benefit received.

4.16. Budget Deficits During Declarant Control. For so long as the Declarant has the authority to appoint the directors and officers of the Association, Declarant may (but shall not be required to):

a. Advance funds to the Association sufficient to satisfy the deficit, if any, between the actual operating expenses of the Association and the sum of the annual, special, and specific assessments collected by the Association in any fiscal year. Such advances shall, upon request of Declarant, be evidenced by promissory notes from the Association in favor of the Declarant. The failure of Declarant to obtain a promissory note shall not invalidate the debt; or

b. Cause the Association to borrow such amount, or a general borrowing, from a third party at the then prevailing rates for such a loan in the local area of the Community. Declarant, in its sole discretion, may guarantee repayment of such loan, if required by the lending institution, but no Mortgage secured by the Common Property or any of the improvements maintained by the Association shall be given in connection with such loan; or

c. Acquire property for, or provide services to, the Association or the Common Property. Declarant shall designate the value of the property or the services provided and such amounts, at the request of the Declarant, shall be evidenced by a promissory note. Failure to obtain a promissory note shall not invalidate the obligation referred to in this Section.

4.17 Property Subject to Additional Covenants. Declarant, in its sole discretion, may subject portions of the Properties to Additional Covenants. Any such Additional Covenants may provide for the creation of a Secondary Association and may provide that such Secondary Association, with the consent of the Executive Board of the Association, may collect on behalf of the Association and thereafter remit to the Association, the assessments levied hereunder with respect to that portion of the Properties subject to such

BK012073PG01397

Additional Covenants. In addition, any such Additional Covenants may provide that, at the request of the Association, in the sole discretion of its Executive Board, the Secondary Association may enforce the lien of the Association securing the Association's assessments; provided, however, no such Additional Covenants shall in any way modify, diminish, annul or cancel the personal liability of any Owner for the payment of assessments hereunder or the Association's lien against each Lot which secures such payment.

**ARTICLE V.
MAINTENANCE & CONVEYANCE OF COMMON PROPERTY
TO ASSOCIATION**

5.1. Association's Responsibility. The Association shall maintain in good repair all Areas of Common Responsibility, including (without limitation), maintenance, repair, and replacement of all landscaping and improvements situated on the Common Property. The Association shall also maintain all lakes and associated dams in or serving the Community, to the extent maintenance of such lake is required and the lake is not otherwise maintained by a governmental entity or third party.

a. The Association shall also maintain all entry features, and common areas, operate and maintain street lights (if not maintained and operated by a governmental entity) for the Community including the expenses for water and electricity, if any, provided to all such entry features; all stormwater detention facilities and easements serving the Community (to the extent such facilities and easements are not maintained by a governmental entity or third party).

b. The Association shall have the right, but not the obligation, to maintain other property not owned by the Association, within the Community, where the Board has determined that such maintenance would benefit the Owners.

c. In the event that the Association determines that the need for maintenance, repair, or replacement of property described in (a) or (b) above is caused through the willful or negligent act of an Owner, or the family, guests, lessees, or invitees of any Owner, and is not covered or paid for by insurance maintained by or on behalf of the Association, in whole or in part, then the Association may perform such maintenance, repair, or replacement at such Owner's sole cost and expense, and all costs thereof shall be an assessment against such Owner and such Owner's Lot subject to the Association's lien and collection rights provided for in this Declaration; provided, however, during Declarant's Development Period, any such action by the Association shall require the Declarant's prior written consent. Such Owner may request a hearing by the Board of Directors, or an adjudicatory panel appointed by the Board, to determine responsibility for the damages if the monetary amounts involved are less than or equal to the jurisdictional amount established for small claims under North Carolina law. The hearing shall afford notice of the charge to the Owner, an opportunity for the Owner to be heard and to present evidence, and a notice of decision by the Board. The Board of Directors or

BK012073PG01398

its appointees may not assess liability in an amount in excess of the jurisdictional amount established for small claims under North Carolina law.
amount established for small claims under North Carolina law.

d. The maintenance shall be performed consistent with the Community Standard.

5.2. Owner's Responsibility. Except as provided in Section 5.1 above, all maintenance of the Lot and all structures, parking areas, landscaping, and other improvements thereon shall be the sole responsibility of the Owner thereof, who shall maintain such Lot in a manner consistent with the Community Standard and this Declaration. In the event that the Board determines that any Owner has failed or refused to discharge properly any of such Owner's obligations with regard to the maintenance, repair, or replacement of items for which such Owner is responsible, the Association may perform such maintenance, repair, or replacement for the Owner at the expense of the Owner. Except in an emergency situation, the Association shall give the Owner written notice of the Association's intent to provide such necessary maintenance, repair, or replacement. The notice shall set forth with reasonable particularity the maintenance, repairs, or replacement deemed necessary. The Owner shall have ten (10) days after receipt of such notice within which to complete such maintenance, repair, or replacement, or, in the event that such maintenance, repair, or replacement is not capable of completion within a ten (10) day period, to commence such work which shall be completed within a reasonable time. If any Owner does not comply with the provisions hereof, the Association may provide any such maintenance, repair, or replacement at such Owner's sole cost and expense, and all costs shall be an assessment levied against the Owner and a lien on such Owner's Lot in accordance with the provisions of Article IV hereof. The provisions of this Section shall continue to control even if the obligation to maintain any Lot or group of Lots is assigned to a Secondary Association. Although covenants of record may provide that a Secondary Association is responsible for such maintenance, the Owner of each Lot is ultimately responsible for the maintenance of such Owner's Lot in accordance with the provisions of hereof.

5.3. Conveyance of Common Property by Declarant to Association. The Declarant may convey to the Association any personal property, any improved or unimproved real property, leasehold, easement, or other property interest located within or adjacent to the Community. Such conveyance shall be accepted by the Association, and the property shall thereafter be Common Property to be maintained by the Association for the benefit of all or a part of its members. Declarant shall not be required to make any improvements whatsoever to property to be conveyed and accepted pursuant to this Section. Declarant in recording any plat of the Property may identify thereon certain areas of land as "Open Space," "Common Area," "Common Property," or similar designation. Such designated properties, unless otherwise expressly provided, are expressly not dedicated to the public, but are intended to be conveyed by Declarant to the Association as Common Property. Declarant, however, reserves the right to reconfigure, in accordance with any applicable local governmental ordinances and regulations, all or any portion of such areas and all or any one or more of the Lots shown on any recorded subdivision plat at any time

BK012073PG01399

prior to the conveyance of such property by recording a revised subdivision plat of the property and thereby increase or decrease the area of any "Open Space," "Common Area," "Common Property," or similarly designated property and/or increase or decrease the number or size of the Lots shown thereon. Any "Open Space," "Common Area," "Common Property," or similarly designated property conveyed to the Association shall be conveyed subject to all easements and restrictions then of record, including all easements and restrictions herein reserved and established, and the recording of a plat showing such areas shall not limit the rights of Declarant to further restrict such property and to grant and convey easements on, over or upon such property, prior to its conveyance to the Association, or otherwise in accordance with the terms of this Declaration.

ARTICLE VI. USE RESTRICTIONS AND RULES

6.1. General. This Section sets out certain use restrictions that must be complied with by all Owners and Occupants. These use restrictions may only be amended as provided in this Declaration.

6.2. Residential Use. Except as otherwise herein provided with respect to the use of Lots as sales offices, construction offices and model homes, all Lots shall be used for residential purposes exclusively, provided, however, a home office or business may be maintained on a Lot so long as the principal use of the Lot is for single-family residential purposes and such ancillary use of the Lot for a home office or business is permitted by applicable local governmental ordinances, laws and regulations and otherwise is determined by the Association not to create a nuisance and conforms to all rules and regulations from time to time promulgated by the Association concerning same. However, the Board may permit a Lot to be used for business purposes so long as such business, in the sole discretion of the Board, does not otherwise violate the provisions of the Declaration or Bylaws, does not create a disturbance and does not unduly increase traffic flow or parking congestion. The Board may issue rules regarding permitted business activities. Notwithstanding the foregoing restrictions, the Declarant shall have the right to operate a sales office and a construction office from one or more Lots within the Community. In addition, except as otherwise herein provided with respect to use of the Property as sales offices, construction offices and models, no portion of the Property shall be used except for residential purposes and uses ancillary thereto, including recreational, park and street purposes. Garage sales, yard sales and similar activities shall be conducted only in accordance with all applicable federal, state and local laws and ordinances and the rules and regulations, if any, adopted by the Board.

6.3. Architectural Standards. No exterior construction, alteration, addition, or erection of any nature whatsoever shall be commenced or placed upon any part of the Community, except such as is installed by the Declarant, or as is approved in accordance with this Section, or as is otherwise expressly permitted herein. Except as provided above, no exterior construction, addition, erection, or alteration shall be made unless and until plans and specifications showing at least the nature, kind, shape, height, materials, and

BK012073PG01400

location shall have been submitted in writing to and approved by an Architectural Review Committee to be established by the Board.

Committee to be established by the Board.

a. The Architectural Review Committee may be established such that it is divided into two (2) subcommittees, with one (1) subcommittee having jurisdiction over modifications and the other having jurisdiction over new construction.

b. The Board may employ architects, engineers, or other persons as it deems necessary to enable the Architectural Review Committee to perform its review.

c. The Architectural Review Committee may, from time to time, delegate any of its rights or responsibilities hereunder to one (1) or more duly licensed architects or other qualified Persons, which shall have full authority to act on behalf of the committee for all matters delegated.

d. Written design guidelines and procedures shall be promulgated for the exercise of this review, which guidelines may provide for a review fee.

e. During Declarant's Development Period, the Declarant shall have the right to appoint all members of the Architectural Review Committee. Upon the expiration or earlier surrender in writing of such right, the Board shall appoint the members of the Architectural Review Committee.

f. If the Architectural Review Committee fails to approve or to disapprove submitted plans and specifications within sixty (60) days after the plans and specifications have been submitted to it, approval will not be required, and this Section will be deemed to have been fully complied with. As a condition of approval under this Section, each Owner, on behalf of such Owner and such Owner's successors-in-interest, shall assume all responsibilities for maintenance, repair, replacement, and insurance to and on any change, modification, addition, or alteration. In the discretion of the Architectural Review Committee, an Owner may be made to verify such condition of approval by a recordable written instrument acknowledged by such Owner on behalf of such Owner and such Owner's successors-in-interest. The Architectural Review Committee shall be the sole arbiter of such plans and may withhold approval for any reason, including purely aesthetic considerations, and it shall be entitled to stop any construction commenced in violation of these restrictions. Any member of the Board or its representatives shall have the right, during reasonable hours and after reasonable notice, to enter upon any property to inspect for the purpose of ascertaining whether or not these restrictions have been violated and such Persons shall not be deemed guilty of trespass by reason of such entry. In addition to any other remedies available to the Association, in the event of noncompliance with this Section, the Board may, as provided in this Declaration, record in the appropriate land records a notice of violation naming the violating Owner.

BK012073PG01401

g. Plans and specifications are not approved for engineering or structural design or quality of materials, and by approving such plans and specifications neither the Architectural Review Committee, the members thereof, nor the Association assumes liability or responsibility therefor, nor for any defect in any structure constructed from such plans and specifications. Neither Declarant, the Association, the Architectural Review Committee, the Board, nor the officers, directors, members, employees, and agents of any of them shall be liable in damages to anyone submitting plans and specifications to any of them for approval, or to any owner of property affected by these restrictions by reason of mistake in judgment, negligence, or nonfeasance arising out of or in connection with the approval or disapproval or failure to approve or disapprove any such plans or specifications. Every Person who submits plans or specifications and every Owner agrees that such Person or Owner will not bring any action or suit against Declarant, the Association, the Architectural Review Committee, the Board, or the officers, directors, members, employees, and agents of any board, or the officers, directors, members, employees, and agents of any of them to recover any damages and hereby releases, remises, quitclaims, and covenants not to sue for all claims, demands, and causes of action arising out of or in connection with any judgment, negligence, or nonfeasance and hereby waives the provisions of any law which provides that a general release does not extend to claims, demands, and causes of action not known at the time the release is given.

h. Signs. The intent of this Section is to prevent additional wetland fill except as allowed under applicable federal, state and local laws and ordinances, so the Owner of any such portion of the Property should not assume that a future application for fill or alteration of a wetland will be approved. The Owner of any portion of the property subject to any such future application shall report the name of the development (in this case, Peakway Village), together with the name of the particular phase, section or subdivision within the Property, if any, in any application pertaining to wetland rules. ARTICLE VII. INSURANCE AND CASUALTY LOSSES

7.1. Insurance on Common Property. The Board of Directors or the duly authorized agent of the Association shall have the authority to and shall obtain insurance for all insurable improvements whether or not located on the Common Property which the Association is obligated to maintain. This insurance shall provide, at a minimum, fire and extended coverage, including vandalism and malicious mischief, and shall be in an amount sufficient to cover the full replacement cost of any repair or reconstruction in the event of damage or destruction from any such hazard. Alternatively, the Board may purchase "all-risk" coverage in like amounts.

7.2. Liability Insurance. The Board shall obtain a general commercial liability policy applicable to the Common Property covering the Association and its members for all damage or injury caused by the negligence of the Association or any of its members or agents, and, if reasonably available, directors' and officers' liability insurance. The public liability policy shall have a combined single limit of at least one million dollars (\$1,000,000.00). If available, the Board is authorized to obtain directors' and officers' liability insurance coverage.

7.3. Declarant. The Board is authorized to obtain the insurance coverage required hereunder through the Declarant and to reimburse Declarant for the cost thereof. The Board shall not be required to comply with the provisions of this Section if the Board has contracted for or otherwise arranged to obtain the required insurance coverage through the Declarant.

7.4. Premiums. Premiums for all insurance shall be common expenses of the Association. The policies may contain a reasonable deductible, and the amount thereof shall not be subtracted from the face amount of the policy in determining whether the insurance at least equals the full replacement cost.

7.5. Miscellaneous. All such insurance coverage obtained by the Board of Directors shall be written in the name of the Association, as trustee for the respective benefitted parties, as further identified below. Such insurance shall comply with these provisions:

BK012073PG01409

a. All policies shall be written with a company authorized to do business in North Carolina.
in North Carolina.

b. Exclusive authority to settle losses under policies obtained by the Association shall be vested in the Association's Board of Directors; provided, however, no Mortgagee having an interest in such losses may be prohibited from participating in the settlement negotiations, if any, related thereto.

c. In no event shall the insurance coverage obtained and maintained by the Association be brought into contribution with insurance purchased by individual Owners, Occupants, or their Mortgagees, and the insurance carried by the Association shall be primary.

d. All casualty insurance policies shall have an inflation guard endorsement and an agreed amount endorsement if these are reasonably available and all insurance policies shall be reviewed annually.

e. The Association's Board of Directors shall be required to make every reasonable effort to secure insurance policies that will provide for the following:

i. A waiver of subrogation by the insurer as to any claims against the Association's Board of Directors, its manager, the Owners and their respective tenants, servants, agents, and guests;

ii. A waiver by the insurer of its rights to repair and reconstruct instead of paying cash;

iii. That no policy may be canceled, invalidated, or suspended on account of any one or more individual Owners;

iv. That no policy may be canceled, subjected to nonrenewal, invalidated, or suspended on account of any defect or the conduct of any director, officer, or employee of the Association or its duly authorized manager without prior demand in writing delivered to the Association to cure the defect or to cease the conduct and the allowance of a reasonable time thereafter within which a cure may be effected by the Association, its manager, any Owner or Mortgagee;

v. That any "other insurance" clause in any policy exclude individual Owners' policies from consideration; and

vi. That no policy may be canceled, subjected to nonrenewal, or substantially modified without at least thirty (30) days prior written notice to the Association.

f. In addition to the other insurance required by this Section, the Board shall obtain worker's compensation insurance, if and to the extent necessary to

BK012073PG01410

satisfy the requirements of applicable laws, and a fidelity bond or bonds on directors, officers, employees, and other persons handling or responsible for the Association's funds, if reasonably available. If obtained, the amount of fidelity coverage shall be equal to at least three (3) months' assessments plus reserves on hand. Bonds shall contain a waiver of all defenses based upon the exclusion of persons serving without compensation and may not be canceled, subjected to nonrenewal, or substantially modified without at least thirty (30) days prior written notice to the Association. The Association shall also obtain construction code endorsements, steam boiler coverage, and flood insurance, if and to the extent necessary to satisfy the requirements of the Federal Home Loan Mortgage Corporation, the Federal National Mortgage Association, and the U.S. Department of Veterans Affairs, or the U.S. Department of Housing and Urban Development.

7.6. Individual Insurance. By virtue of taking title to a Lot subject to the terms of this Declaration, each Owner acknowledges that the Association has no obligation to provide any insurance for any portion of individual Lots, and each Owner covenants and agrees with all other Owners and with the Association that each Owner shall carry blanket "all-risk" casualty insurance on the Lot and all structures constructed thereon and a liability policy covering damage or injury occurring on a Lot. The casualty insurance shall cover loss or damage by fire and other hazards commonly insured under an "all-risk" policy, if reasonably available, including vandalism and malicious mischief, and shall be in an amount sufficient to cover the full replacement cost of any repair or reconstruction in the event of damage or destruction from any such hazard. If "all-risk" coverage is not reasonably available, Owners shall obtain, at a minimum, fire and extended coverage. The policies required hereunder shall be in effect at all times. Authority to adjust losses under policies obtained by an Owner shall be vested in the Owner. The losses under policies obtained by an Owner shall be vested in the Owner. The Association shall have the right, but not the obligation, at the expense of the Owner, to acquire the insurance required to be maintained by the Owner if the Owner fails to provide a valid policy to the Association with a prepaid receipt within ten (10) days after receipt by the Owner of a written request from the Association. If the Association acquires insurance on behalf of any Owner, the cost thereof shall be assessed against the Owner as a specific assessment and shall be a lien on such Owner's Lot.

7.7. Damage and Destruction -- Insured by Association.

a. In General. Immediately after damage or destruction by fire or other casualty to all or any portion of any improvement covered by insurance written in the name of the Association, the Board or its duly authorized agent shall proceed with the filing and adjustment of all claims arising under such insurance and obtain reliable and detailed estimates of the cost of repair or reconstruction of the damaged or destroyed property. Repair or reconstruction, as used in this Section, means repairing or restoring the property to substantially the same condition and location that existed prior to the fire or other casualty, allowing for any changes or improvements necessitated by changes in applicable building codes. The Board shall

BK012073PG01411

have the enforcement powers specified in this Declaration necessary to enforce this provision.
provision.

b. Repair and Reconstruction. Any damage or destruction to property covered by insurance written in the name of the Association shall be repaired or reconstructed unless, within sixty (60) days after the casualty, at least eighty percent (80%) of the Total Association Vote otherwise agree; provided, however, during Declarant's Development Period, Declarant must also agree. If for any reason either the amount of the insurance proceeds to be paid as a result of such damage or destruction, or reliable and detailed estimates of the cost of repair or reconstruction, or both, are not made available to the Association within such period, then the period shall be extended until such information shall be made available; provided, however, such extension shall not exceed sixty (60) days. No Mortgagee shall have the right to participate in the determination of whether damage or destruction shall be repaired or reconstructed.

c. If the damage or destruction for which the insurance proceeds are paid is to be repaired or reconstructed and such proceeds are not sufficient to defray the cost thereof, the Board shall, without the necessity of a vote of the Association's members, levy a special assessment against all Owners in proportion to the number of Lots owned by such Owners. Additional assessments may be made in like manner at any time during or following the completion of any repair or reconstruction. If the funds available from insurance exceed the costs of repair or reconstruction or if the improvements are not repaired or reconstructed, such excess shall be deposited to the benefit of the Association.

d. In the event that it is determined by the Association in the manner described above that the damage or destruction shall not be repaired or reconstructed and no alternative improvements are authorized, then and in that event the property shall be restored to its natural state and maintained as an undeveloped portion of the Community by the Association in a neat and attractive condition.

7.8. Damage and Destruction -- Insured by Owners. The damage or destruction by fire or other casualty to all or any portion of any improvement on a Lot shall be repaired by the Owner thereof within seventy-five (75) days after such damage or destruction or, where repairs cannot be completed within seventy-five (75) days, they shall be commenced within such period and shall be completed within a reasonable time thereafter. Alternatively, the Owner may elect to demolish all improvements on the Lot and remove all debris therefrom within seventy-five (75) days after such damage or destruction. In the event of noncompliance with this provision, the Board shall have all enforcement powers specified in this Declaration.

**ARTICLE VIII.
CONDEMNATION**

BK012073PG01412

In the event of a taking by eminent domain of any portion of the Common Property on which improvements have been constructed, then, unless within sixty (60) days after such taking, at least seventy-five percent (75%) of the Total Association Vote shall otherwise agree, the Association shall restore or replace such improvements so taken on the remaining land included in the Common Property to the extent lands are available therefor. The provisions of this Declaration applicable to Common Property improvements damage, shall govern replacement or restoration and the actions to be taken in the event that the improvements are not restored or replaced.

**ARTICLE IX.
ANNEXATION OF ADDITIONAL PROPERTY**

9.1. Unilateral Annexation By Declarant.

- ii. Any property which is adjacent to the property described on Exhibit "A;" and
- iii. Any tract of land, of which any portion is located within a five (5) mile radius of the property described in Exhibit "A."

For the purpose of determining whether property is "adjacent," the rights of way of public or private roads or utilities, as well as rivers and streams, and the like shall be deemed not to separate otherwise adjacent property. Annexation may be accomplished by filing for record, in the county in which the property to be annexed is located, a Supplementary Declaration describing the property being subjected.

Any such annexation shall be effective upon the filing for record of such Supplementary Declaration unless otherwise provided therein.

Declarant shall have the right, in connection with the annexation of other property, to modify the terms of this Declaration as it may apply to the annexed property.

As long as covenants applicable to the real property previously subjected to this Declaration are not changed and as long as rights of existing Owners are not adversely affected, the Declarant may unilaterally amend this Declaration to reflect the different character of any such annexed real property.

b. The rights reserved unto Declarant to subject additional land to the Declaration shall not impose any obligation upon Declarant to subject any of such additional land to this Declaration or the jurisdiction of the Association. If such

BK012073PG01413

additional land is not subjected to this Declaration, Declarant's reserved rights shall not impose any obligation on Declarant to impose any covenants and restrictions not impose any obligation on Declarant to impose any covenants and restrictions similar to those contained herein upon such additional land nor shall such rights in any manner limit or restrict the use to which such additional land may be put by Declarant or any subsequent owner thereof, whether such uses are consistent with the covenants and restrictions imposed hereby or not.

9.2. Other Annexation. Subject to the consent of the owner(s) thereof and the consent of the Declarant (during Declarant's Development Period), upon the affirmative vote or written consent, or any combination thereof, of the Owners of at least two-thirds (2/3) of the Lots, the Association may annex real property to the provisions of this Declaration describing the property to be annexed and filed for recording in the land records of the county in which the Community is located. A Supplementary Declaration shall be signed by the President of the Association whose signature shall be attested by the Secretary of the Association, and any such annexation shall be effective only upon the filing for record of such Supplementary Declaration, unless a later effective date is provided therein.

ARTICLE X. MORTGAGEE PROVISIONS

10.1. Notices of Action. An institutional holder, insurer, or guarantor of a first Mortgage, who provides a written request to the Association (such request to state the name and address of such holder, insurer, or guarantor and the legal description of the encumbered Lot, therefore becoming an "eligible holder"), will be entitled to timely written notice of :

- a. Any condemnation loss or any casualty loss which affects a material portion of the Community or which affects any Lot on which there is a first Mortgage held, insured, or guaranteed by such eligible holder;
- b. Any delinquency in the payment of assessments or charges owed by an Owner of a Lot subject to the Mortgage of such eligible holder, where such delinquency has continued for a period of sixty (60) days; provided that, notwithstanding this provision, any holder of a first Mortgage, upon request, is entitled to written notice from the Association of any default in the performance by the Owner of the encumbered Lot of any obligation under the Declaration or Bylaws of the Association which is not cured within sixty (60) days; and

BK012073PG01414

10.2. Notice to Association. Upon request, each Owner shall be obligated to furnish to the Association the name and address of the holder of any Mortgage encumbering such Owner's Lot.

10.3. Applicability of Section. Nothing contained in this Section shall be construed to reduce the percentage vote that must otherwise be obtained under the Declaration, Bylaws, or North Carolina law for any of the acts set out in this Section.

10.4. Amendments by Board. Should the Federal National Mortgage Association, the Federal Home Loan Mortgage Corporation, HUD, or VA subsequently delete any of their respective requirements which necessitate the provisions of this Section or make any such requirements less stringent, the Board, without approval of the Owners, may cause an amendment to this Section to be recorded to reflect such changes.

**ARTICLE XI
EASEMENTS**

11.1. Easements for Encroachment and Overhang. There shall be reciprocal appurtenant easements for encroachment and overhang as between each Lot and such portion or portions of the Common Property adjacent thereto or as between adjacent Lots due to the unintentional placement or settling or shifting of the improvements constructed, reconstructed, or altered thereon (in accordance with the terms of this Declaration) to a distance of not more than five (5) feet, as measured from any point on the common boundary between each Lot and the adjacent portion of the Common Property or as between adjacent Lots, as the case may be, along a line perpendicular to such boundary at such point. The right of the Association to charge reasonable admission and other fees for the use of any portion of the Common Property, to limit the number of guests of Lot Owners and tenants who may use the Common Property, and to provide for the exclusive use and enjoyment of specific portions thereof at certain designated times by an Owner, his family, tenants, guests, and invitees;

ii. The right of the Association to suspend the voting rights of a Owner and the right of an Owner to use the recreational facilities available for use by the Community, if any, for any period during which any assessment against such Owner's Lot which is hereby provided for remains unpaid; and, for a reasonable period of time for an infraction of the Declaration, Bylaws, or rules and regulations;

BK012073PG01415

iii. The right of the Association to borrow money for the purpose of improving the Common Property, or any portion thereof, or for construction, repairing, or improving any facilities located or to be located thereon, and to give as security for the payment of any such loan a Mortgage conveying all or any portion of the Common Property; provided that, the lien and encumbrance of any such Mortgage given by the Association shall be subject and subordinate to any rights, interests, options, easements, and privileges herein reserved or established for the benefit of Declarant, or any Lot or Owner, or the holder of any Mortgage, irrespective of when executed, given by Declarant or any Owner encumbering any Lot or other property located within the Community. Any such Mortgage on the Common Property shall be subject to approval by at least eighty percent (80%) of the Total Association Vote (excluding votes held by the Declarant) and by the Declarant during Declarant's Development Period. Any provision in this Declaration or in any such Mortgage given by the Association to the contrary notwithstanding, the exercise of any rights therein by the holder thereof in the event of a default thereunder shall not cancel or terminate any rights, easements, or privileges herein reserved or established for the benefit of Declarant, or any Lot or Owner, or the holder of any Mortgage, irrespective of when executed, given by Declarant or any Owner encumbering any Lot or other property located within the Community;

iv. The right of the Association to dedicate or grant licenses, permits, or easements over, under, and through the Common Property to governmental entities for public purposes;

v. The right of the Association, acting through the Board without Member, Mortgagee or agency approvals, to dedicate or transfer non-exclusive easements on, over and upon all or any part of the Common Property which are not inconsistent with and do not unreasonably interfere with the intended use of the Common Property and otherwise for such purposes and subject to such conditions as may be agreed to by the Association's Board; provided, however, no such dedication or transfer shall be effective unless an instrument executed on behalf of the Association by its duly authorized officers, agreeing to such dedication or transfer, has been recorded in the Register of Deeds for the County in which the Community is located;

vi. The right of the Association to dedicate or transfer any real property interest in all or any portion of the Common Property subject to such conditions as may be agreed to by the members of the Association. No such dedication or transfer shall be effective unless an instrument agreeing to such dedication or transfer has been approved by the affirmative vote of at least eighty percent (80%) of the Total Association Vote (excluding votes held by the Declarant) and by Declarant during Declarant's Development Period,

BK012073PG01416

and, further provided that no such dedication or transfer shall interfere with or obstruct utility service to, or ingress, egress and regress to or from, the or obstruct utility service to, or ingress, egress and regress to or from, the Lots or any remaining Common Property or cause any Lot or any remaining Common Property to fail to comply with applicable laws, regulations or ordinances;

vii. The right of the Association, acting through the Board, to impose rules and regulations for the use and enjoyment of the Common Property and improvements thereon, which regulations may further restrict the use of the Common Property, and specifically including the right to establish rules and regulations concerning parking and vehicular traffic flow on and along the streets and roadways, whether public or private, within or abutting the Community, which rules and regulations may restrict or prohibit on-street parking and may be enforced by towing at the expense of the vehicle's owner, by reasonable fine levied against the vehicle's owner and/or any Owner of a Lot to which such violation reasonably may be attributed, or by any other reasonable method of enforcement established by the Association's Board; and

vi. The easements, conditions and restrictions herein reserved and established for the benefit of the Declarant, the Association and others.

b. Delegation. Any Lot Owner may delegate such Owner's right of use and enjoyment in and to the Common Property and facilities located thereon to the members of such Owner's family and to such Owner's tenants and guests and shall be deemed to have made a delegation of all such rights to the Occupants of such Owner's Lot, if leased.

11.3. Easements for Access, Utilities and Other Purposes. There is hereby reserved and established in favor of the Declarant and the Association blanket non-exclusive easements upon, across, above, and under all property within the Community, including all Lots, for access, ingress, egress, installation, repairing, replacing, and maintaining all utilities serving all or any portion of the Community or any portion or any portion of the additional property specifically described on Exhibit B hereto (whether or not such additional property is added to the Community), and for such other purposes that are not inconsistent with and do not unreasonably interfere with the intended use of such property. This easement shall include, without limitation, access, gas, water, sanitary sewer, telephone, electricity, cable television, security, as well as storm drainage and any other service or system which the Declarant or the Association might decide to have installed to service the Community or any portion of the additional property specifically described on Exhibit B hereto (whether or not such additional property is added to the Community). It shall be expressly permissible for the Declarant, the Association, or the designee of either, as the case may be, to install, repair, replace, and maintain or to authorize the installation, repairing, replacing, and maintaining of such wires, conduits, pipes, cables, and other equipment related to the providing of any such access, utility or service. Should any party furnishing or receiving any such utility or service request a specific license or easement by separate recordable

BK012073PG01417

document, the Declarant or the Board, as the case may be, shall have the right to grant such easement.

easement.

11.4. Easement for Drainage. Declarant hereby reserves a perpetual easement across the Community for the purpose of altering drainage and water flow across the Community. This right shall include, but is not limited to, altering swales, installing drains, drainage ditches, pipes, inlets, headwalls, and altering channeling, or piping waterflow across any Lot or any property in the Community. Rights exercised pursuant to this reserved easement shall be exercised with a minimum of interference to the quiet enjoyment of affected property, reasonable steps shall be taken to protect such property, and damage shall be repaired by the Person causing the damage at its sole expense.

11.5. Easement for Entry. In addition to the other rights reserved and established in favor of Declarant and the Association, the Declarant and the Association each shall have the right (but not the obligation) to enter upon any property or Lot within the Community for emergency, security, and safety reasons. This right may be exercised by the Declarant, the Association their respective designee, any officer of the Board, and all governmental employees, policemen, firemen, ambulance personnel, and similar emergency personnel in the performance of their respective duties. Except in an emergency situation, entry shall only be during reasonable hours and after notice to the Owner, and the entering party shall be responsible for any damage caused. This right of entry shall include the right of the Board to enter to cure any condition which may increase the possibility of a fire, slope erosion, or other hazard or condition in the event an Owner or Occupant fails or refuses to cure the condition upon request by the Board.

11.6. Easement for Maintenance. Declarant hereby expressly reserves a perpetual easement for the benefit of Declarant or the Association across such portions of the Community, determined in the sole discretion of the Declarant and the Association, as are necessary to allow for the maintenance required by this Declaration or any Secondary Covenants. Such maintenance shall be performed with a minimum of interference to the quiet enjoyment to Owners' property, reasonable steps shall be taken to protect such property, and damage shall be repaired by the Person causing the damage at its sole expense.

11.7. Easement for Entry Features. There is hereby reserved to the Declarant and the Association an easement for ingress, egress, installation, construction, landscaping, and maintenance of entry features and similar streetscapes for the Community, over and upon each Lot as more fully described on the recorded subdivision plats for the Community. The easement and right herein reserved shall include the right to cut, remove, and plant trees, shrubbery, flowers, and other vegetation around such entry features and the right to grade the land under and around such entry features.

11.8. Construction and Sale Period Easement. Notwithstanding any provisions contained in the Declaration, the Bylaws, Articles of Incorporation, use restrictions, rules and regulations, design guidelines, and any amendments thereto, during Declarant's Development Period, Declarant reserves an easement across such portions of the Community as Declarant may reasonably deem necessary for any or all of the purposes

BK012073PG01418

hereinafter set forth. This reserved easement shall include an easement for such facilities and activities which, in the sole opinion of Declarant, may be required, convenient, or incidental to the development, construction, and sales activities related to property within or near the Community. This easement shall include, without limitation:

a. The right of access, ingress, and egress for vehicular and pedestrian traffic, and construction activities over, under, on, or in any portion of the Community as well as any Lot in the Community;

b. The right to tie into any portion of the Community with driveways, parking areas, and walkways;

c. The right to tie into or otherwise connect and use (without a tap-on or any other fee for so doing), replace, relocate, maintain, and repair any device which provides utility or similar services;

d. The right (but not the obligation) to construct recreational facilities on Common Property;

e. The right to carry on sales and promotional activities in the Community;

f. The right to place direction and marketing signs on any portion of the Community, including any Lot or Common Property;

g. The right to construct and operate business offices, signs, construction trailers, model residences, and sales offices incidental to the construction, development, and sales activities; and

h. Declarant and any such builder or developer may use residences, offices, or other buildings owned or leased by Declarant or such builder or developer as model residences and sales offices, and may also use recreational facilities available for use by the Community as a sales office or for marketing purposes without charge. Rights exercised pursuant to such reserved easement shall be exercised with a minimum of interference to the quiet enjoyment of affected property, and reasonable steps shall be taken to protect such property from damage. Any damage shall be repaired by the Person causing the damage at its sole expense. This Section shall not be amended without the Declarant's express written consent until the Declarant's rights hereunder have terminated as provided in this Declaration.

11.9. Irrigation Easements. There is hereby reserved to the Declarant and the Association a blanket easement to pump water from ponds, lakes, and other bodies of water located within the Community for irrigation purposes.

11.10. Fence Easement. Declarant hereby reserves an easement across any Lot which borders upon or contains a portion of any water facility, detention pond, or retention pond for the purpose of access to such facility or pond, and for the purpose of erecting any

BK012073PG01419

fence which is either required by the subdivision development and construction plans or governmental regulation, rule, ordinance, or plan approval requirement.
governmental regulation, rule, ordinance, or plan approval requirement.

ARTICLE XII. GENERAL PROVISIONS

12.1. Enforcement. Each Owner and Occupant shall comply strictly with the Bylaws, the rules and regulations, and the use restrictions, as they may be lawfully amended or modified from time to time, and with the covenants, conditions, and restrictions set forth in this Declaration and any such restrictions which may be placed in the deed to such Owner's Lot, if any. In the event of a conflict between the provisions of this Declaration and the Bylaws, the Declaration shall prevail. The Board may impose fines or other sanctions, which shall be collected as provided herein for the collection of assessments. Failure to comply with this Declaration, the Bylaws, or the rules and regulations shall be grounds for an action to recover sums due for damages or injunctive relief, or both, maintainable by the Board of Directors, on behalf of the Association, or in a proper case, by an aggrieved Owner. To determine fines and sanctions against Owners, a hearing shall be held before the Board of Directors or an adjudicatory panel appointed by the Board. The Owner shall be given notice of the charge, an opportunity to be heard and to present evidence, and a notice of decision by the Board. If a fine is imposed it may not exceed one hundred and fifty dollars (\$150.00) for the violation and for each day after the notice of decision that the violation continues. Such fines shall be assessments secured by a lien. If a sanction is imposed it may continue without further hearing until the violation is cured. Failure by the Association or any Owner to enforce any of the foregoing shall in no event be deemed a waiver of the right to do so thereafter. The Board shall have the right to record in the appropriate land records a notice of lien, a notice of violation of the Declaration, Bylaws, rules and regulations, use restrictions, or design guidelines, and to assess the cost of recording and removing such notice against the Owner who is responsible (or whose Occupants are responsible) for violating the foregoing.

12.2. Self-Help. In addition to any other remedies provided for herein, the Association or its duly authorized agent shall have the power to enter upon any Lot or any other portion of the Community to abate or remove, using such force as may be reasonably necessary, any structure, thing, or condition which violates this Declaration, the Bylaws, the rules and regulations, or the use restrictions. Unless an emergency situation exists, the Board shall give the violating Lot Owner ten (10) days written notice of its intent to exercise self-help. Notwithstanding the foregoing, vehicles may be towed after reasonable notice. All costs of self-help, including reasonable attorneys' fees, shall be assessed against the violating Lot Owner and shall be collected as provided for herein for the collection of assessments.

12.3. Duration. The covenants and restrictions of this Declaration shall run with and bind the Community, and shall inure to the benefit of and shall be enforceable by Declarant, the Association or any Owner, their respective legal representatives, heirs, successors, and assigns, perpetually to the extent provided by law. If North Carolina law

BK012073PG01420

limits the period during which covenants restricting lands to certain uses may run, any provision of this Declaration affected thereby shall run with and bind the land so long as provision of this Declaration affected thereby shall run with and bind the land so long as permitted by such law, after which time any such provision shall be automatically extended for successive periods of ten (10) years, unless a written instrument reflecting disapproval signed by the then Owners of two-thirds (2/3) of the Lots and the Declarant (during Declarant's Development Period) is recorded within the year immediately preceding the beginning of a ten (10) year renewal period.

12.4. Amendment. This Declaration may be amended unilaterally at any time and from time to time by Declarant (a) if such amendment is necessary to bring any provision hereof into compliance with any applicable governmental statute, rule or regulation, or judicial determination which shall be in conflict therewith; (b) if such amendment is necessary to enable any title insurance company to issue title insurance coverage with respect to the Lots subject to this Declaration; (c) if such amendment is required by an institutional or governmental lender or purchaser of mortgage loans, including, for example, the Federal National Mortgage Association, the Department of Housing and Urban Development, the Veterans Administration, or Federal Home Loan Mortgage Corporation, to enable such lender or purchaser to make or purchase Mortgage loans on the Lots subject to this Declaration; or (d) if such amendment is necessary to enable any governmental agency or private insurance company to insure or guarantee Mortgage Loans on the Lots subject to this Declaration; provided, however, any such amendment shall not adversely affect the title to any Owner's Lot unless any such Lot Owner shall consent in writing. Further, so long as Declarant has the right unilaterally to subject additional property to this Declaration, Declarant may unilaterally amend this Declaration for any other purpose; provided that, any such amendment shall not materially adversely affect the substantive rights of any Lot Owners hereunder, nor shall it adversely affect title to any Lot without the consent of the affected Lot Owner.

In addition to the above, this Declaration may be amended:

- I. During Declarant's Development Period, with the affirmative written consent of the Declarant and upon the affirmative vote or written consent, or any combination thereof, of the Owners of at least two-thirds (2/3) of the Lots; and
- ii. Following the expiration of Declarant's Development Period, upon the affirmative vote or written consent, or any combination thereof, of the Owners of at least two-thirds (2/3) of the Lots.

12.5. Partition. The Common Property shall remain undivided, and no Owner nor any other Person shall bring any action for partition or division of the whole or any part thereof without the written consent of all Owners of all portions of the property located within the Community and without the written consent of all holders of all Mortgages encumbering any portion of the property, including, but not necessarily limited to, the Lots located within the Community.

BK012073PG01421

12.6. Gender and Grammar. The singular, wherever used herein, shall be construed to mean the plural, when applicable, and the use of the masculine pronoun shall include the neuter and feminine.

12.7. Severability. Whenever possible, each provision of this Declaration shall be interpreted in such manner as to be effective and valid, but if the application of any provision of this Declaration to any person or to any property shall be prohibited or held invalid, such prohibition or invalidity shall not affect any other provision or the application of any provision which can be given effect without the invalid provision or application, and to this end, the provisions of this Declaration are declared to be severable.

12.8. Captions. The captions are inserted only for convenience and are in no way to be construed as defining, limiting, extending, or otherwise modifying or adding to the particular Article or Section to which they refer.

12.9. Perpetuities. If any of the covenants, conditions, restrictions, or other provisions of this Declaration shall be unlawful, void, or voidable for violation of the rule against perpetuities, then such provisions shall continue only until twenty-one (21) years after the death of the last survivor of the now living descendants of Elizabeth II, Queen of England.

12.10. Indemnification. To the fullest extent allowed by applicable North Carolina law, the Association shall indemnify every officer of the Association and director of the Association against any and all expenses, including, without limitation, attorneys' fees, imposed upon or reasonably incurred by any officer or director in connection with any action, suit, or other proceeding to which such officer or director may be a party by reason of being or having been an officer or director. The officers and directors shall not be liable for any mistake of judgment, negligent or otherwise, except for their own individual willful misfeasance, malfeasance, misconduct, or bad faith. The officers and directors shall have no personal liability with respect to any contract or other commitment made by them, in good faith, on behalf of the Association (except to the extent that such officers or directors may also be members of the Association), and the Association shall indemnify and forever hold each such officer and director free and harmless against any and all liability to others on account of any such contract or commitment. Any right to indemnification provided for herein shall not be exclusive of any other rights to which any officer or director, or former officer or director, may be entitled. This indemnification shall also include attorneys' fees and expenses incurred in enforcing this indemnification. The Association shall maintain adequate general liability and officers' and directors' liability insurance to fund this obligation, if such coverage is reasonably available.

12.11. Books and Records.

a. Inspection by Members and Mortgagees. This Declaration, the Bylaws, copies of rules and use restrictions, membership register, books of account, and minutes of meetings of the members of the Board and of committees shall be made available for inspection and copying by Declarant or any member of the

BK012073PG01422

Association or by the duly appointed representative of any member and by holders, insurers, or guarantors of any first Mortgage at any reasonable time and for a purpose reasonably related to such Person's interest as a member or holder, insurer, or guarantor of a first Mortgage at the office of the Association or at such other reasonable place as the Board shall prescribe.

b. Rules for Inspection. The Board shall establish reasonable rules with respect to: (1) notice to be given to the custodian of the records; (2) hours and days of the work when such an inspection may be made; and (3) payment of the cost of reproducing copies of documents.

c. Inspection by Directors. Every director shall have the absolute right at any reasonable time to inspect all books, records, and documents of the Association and the physical properties owned or controlled by the Association. The right of inspection by a director includes the right to make extra copies of documents at the reasonable expense of the Association.

12.12. Financial Review. A review of the books and records of the Association shall be made annually in the manner as the Board may decide; however, after having received the Board's financial statements, by a majority of the Total Association Vote, the Owners may require that the accounts of the Association be audited as a common expense by a certified public accountant. Upon written request of any institutional holder of a first Mortgage and upon payment of all necessary costs, such holder shall be entitled to receive a copy of audited financial statements within ninety (90) days of the date of the request.

12.13. Notice of Sale, Lease, or Acquisition. In the event an Owner sells or leases such Owner's Lot, the Owner shall give to the Association, in writing, prior to the effective date of such sales or lease, the name of the purchaser or lessee of the Lot and such other information as the Board may reasonably require. Upon acquisition of a Lot, each new Owner shall give the Association, in writing, the name and mailing address of the Owner and such other information as the Board may reasonably require.

12.14. Agreements. Subject to the prior approval of Declarant (during Declarant's Development Period), all agreements and determinations, including settlement agreements regarding litigation involving the Association, lawfully authorized by the Board shall be binding upon all Owners, their heirs, legal representatives, successors, assigns, and others having an interest in the Community or the privilege of possession and enjoyment of any part of the Community.

12.15. Implied Rights. The Association may exercise any right or privilege given to it expressly by the Declaration, the Bylaws, the Articles of Incorporation, any use restriction or rule, and every other right or privilege reasonably to be implied from the existence of any right or privilege given to it therein or reasonably necessary to effectuate any such right or privilege.

ARTICLE XIII.

BK012073PG01423

USE OF RECREATIONAL FACILITIES

Declarant may, but shall not be required to, construct recreational facilities on portions of the Common Property. These facilities may take the form of playground, tennis courts, a pool, bathhouse, viewing areas, and the like. In the event Declarant constructs such recreational facilities, the following shall apply:

a. During Declarant's Development Period, Declarant shall have the right to grant to persons who are not members of the Association the right to use the recreational facilities. The extent and duration of nonmember use and the fee to be charged shall be determined solely by Declarant. The Declarant may grant nonmember use rights to Persons as an easement appurtenant to such Person's residential real property so that such use rights shall automatically inure to the benefit of such Persons and their heirs and assigns.

b. Any use right granted to nonmembers which extends beyond the time period specified in (a) above shall be valid and may not be terminated by the Association so long as the terms and conditions imposed upon nonmember use by the Declarant are complied with by the nonmember user.

c. Declarant hereby reserves unto itself, its successors and assigns, a non-exclusive, perpetual right and privilege, and easement with respect to the Community for the benefit of Declarant, its successors, assigns, and the above nonmember users, without obligation or charge. These rights shall include, without limitation, an easement for travel across all Common Property in the Community.

d. Declarant shall not be responsible for any fees to be paid by such nonmember.

e. Declarant shall have the sole right to grant nonmembers access during the time period specified in (a) above.

ARTICLE XIV. VARIANCES

Notwithstanding anything to the contrary contained herein, the Declarant and the Board or its designee shall be authorized to grant individual variances from any of the provisions of this Declaration, the Bylaws, and any rule, regulation, or use restriction promulgated pursuant thereto if it determines that waiver of application or enforcement of the provision in a particular case would not be inconsistent with the overall scheme of development for the Community.

ARTICLE XV. LITIGATION

BK012073PG01424

No judicial or administrative proceeding shall be commenced or prosecuted by the Association unless approved by at least seventy-five percent (75%) of the Total Association Association unless approved by at least seventy-five percent (75%) of the Total Association Vote. This Section shall not apply, however, to (a) actions brought by the Association to enforce the provisions of this Declaration (including, without limitation, the foreclosure of liens), (b) the imposition and collection of assessments as provided in this Declaration, (c) proceedings involving challenges to *ad valorem* taxation, or (d) counterclaims brought by the Association in proceedings instituted against it.

**ARTICLE XVI.
CAPITALIZATION OF ASSOCIATION**

Upon acquisition of record title to a Lot by the first Owner other than Declarant or a Builder, a contribution in an amount equal to three-fourths (3/4) of the amount of the then current annual assessment levied by the Association pursuant to this Declaration ("Initiation Fee") shall be made by or on behalf of the purchaser to the Association as set forth below. The Initiation Fee shall be in addition to, not in lieu of, any annual or special assessments. The Initiation Fee shall be payable at closing, shall not be prorated, and the Association shall have all rights under the Declaration for enforcement of assessments if it is not paid. The Initiation Fee shall be deposited into an account of the Association and disbursed from that account (a) up to two-thirds (2/3) of the Initiation Fee may be disbursed to pay expenses and costs of the Association in accordance with the Declaration and Bylaws, as amended, and (b) one-third (1/3) of the Initiation Fee shall be held by the Association as a long term "Maintenance Reserve" to be disbursed by the Association for maintenance of any property which the Association is required or permitted to maintain, in its sole discretion. The Initiation Fee referred to in this paragraph is payable only one time, and will not be charged to subsequent purchasers of a Lot once paid.

members, either before or after such meeting. Attendance at a meeting by a member, whether in person or by proxy, shall be deemed waiver by such member of notice of the time, date, and place thereof, unless such member specifically objects to lack of proper notice at the time the meeting is called to order.

2.6. Adjournment of Meetings. If any meetings of the Association cannot be held because a quorum is not present, a majority of the members who are present at such meeting, either in person or by proxy, may adjourn the meeting to a time not less than five nor more than 30 days from the time the original meeting was called. At such adjourned meeting at which a quorum is present, any business which might have been transacted at the meeting originally called may be transacted without further notice.

2.7. Voting. The voting rights of the members shall be as set forth in the Articles of Incorporation and the Declaration, and such voting rights are specifically incorporated herein.

2.8. Proxies. At all meetings of members, each member may vote in person or by proxy. All proxies shall be in writing, dated, and filed with the Secretary before the appointed time of each meeting. Every proxy shall be revocable and shall automatically cease upon conveyance by the member of such member's Lot, or upon receipt of notice by the Secretary of the death or judicially declared incompetence of a member, or of written revocation, or upon the expiration of 11 months from the date of the proxy.

2.9. Quorum. Unless otherwise expressly provided, the presence, in person or by proxy, of 25% of the total eligible Association vote shall constitute a quorum at all meetings of the Association. The members present at a duly called or held meeting at which a quorum is present may continue to do business until adjournment, notwithstanding the withdrawal of enough members to leave less than a quorum.

2.10. Action Without a Formal Meeting. Any action to be taken at a meeting of the members, or which may be taken at a meeting of the members, may be taken without a meeting if one or more written consents setting forth the action so taken shall be signed by members holding at least 80% of the Total Association Vote. Action taken without a meeting shall be effective on the date that the last consent is executed, and consented to by the Declarant, if required, unless a later effective date is specified therein. Each signed consent shall be delivered to the Association and shall be included in the minutes of meetings of members filed in the Association's permanent records.

2.11. Action by Written Ballot. Any action to be taken at any annual, regular, or special meeting of members may be taken without a meeting if approved by written ballot as provided herein. The Association shall deliver a written ballot to each member entitled to vote on the matter. The written ballot shall set forth each proposed action and provide an opportunity to vote for or against each proposed action. Approval by written ballot of an action shall be valid only when the number of votes cast by ballot equals or exceeds the quorum required to be present at a meeting held to authorize such action and the number of approvals equals or exceeds the number of votes that would be required to approve the matter at a meeting at which the total number of votes cast was the same as the number of votes cast by ballot. All solicitations for votes by written ballot shall indicate the number of responses needed to meet the quorum requirements; state the percentage of approvals necessary to approve each matter other than election of directors; and specify the time by which a ballot must be received by the Association in order to be counted. A

3.5. Election and Term of Office. Owner-elected directors shall be elected and hold office as follows:

(a) After the Declarant's right to appoint directors and officers terminates, the Association shall call a special meeting to be held at which Owners shall elect three directors.

(b) Thereafter, directors shall be elected at the Association's annual meeting. All eligible members of the Association shall vote on all directors to be elected, and the candidate(s) receiving the most votes shall be elected.

At the special meeting in which the Owners initially elect directors, two directors shall be elected to two-year terms and one director shall be elected to a one-year term. At the expiration of the initial term of office of each respective Owner-elected director, a successor shall be elected to serve for a term of two years. The directors shall hold office until their respective successors shall have been elected by the Association.

3.6. Removal of Directors. At any regular or special meeting of the Association duly called, any one or more of the directors may be removed, with or without cause, by a majority of the Total Association Vote and a successor may then and there be elected to fill the vacancy thus created.
