Section 2. Delegation of Use. Any owner may delegate, in accordance with the By-Laws, his right of enjoyment to the Permanent Common Open Space and facilities to the members of his family, his tenants, or contract purchasers who reside on the property.

Section 3. Title to the Permanent Common Open Space. shall be members. The vote for such Lot shall be exercised as they determine, but in no event shall more than one vote be cast with respect to any Lot. Fractional voting with respect to any Lot is hereby prohibited.

Class B. The Declarant shall be a Class B member and shall be entitled to majority voting rights until the happening of either of the following events, whichever occurs earlier:

ARTICLE V

COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. The Declarant, for each Lot owned within the Properties, hereby covenants, and each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) annual assessments or charges; and (2) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided. The annual and special assessments, together with interest, costs, and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them. All assessments relating to common open spaces shall be shared equally by the owners of each Lot. Notwithstanding anything herein to the contrary, Declarant may satisfy its obligation for payment of annual assessments on Lots it owns either by paying annual assessments in the amount per Lot assessed for that fiscal year or by paying the Operating Deficit.

With respect to any Lot that is conveyed by Declarant to any other Owner during a fiscal year for which Declarant has elected to fund the Operating Deficit instead of paying annual assessments, for that fiscal

year the annual assessment for such Lot due and payable by such Owner is determined by multiplying the applicable annual assessment amount by a fraction whose numerator is the number of days remaining in that fiscal year from and after the day on which the conveyance occurs and whose denominator is the total number of days in that fiscal year. Such annual assessment is due and payable by the Owner at the time of the conveyance by the Declarant to such Owner.

For any fiscal year of the Association during the Development Period, Declarant may satisfy its obligation for payment of annual assessments on Lots by satisfying the Operating Deficit. Declarant may satisfy the Operating Deficit by advancing funds to the Association in an amount equal to the Operating Deficit (such advances shall, upon request of Declarant, be evidenced by promissory notes from the Association in favor of Declarant, but Declarant's failure to obtain a promissory note shall not invalidate the debt) or (ii) Declarant may cause the Association to borrow any amount from a third party at the then prevailing rates for such a loan in the local area of the Community (Declarant, in its sole discretion, may guarantee repayment of such loan, if required by the lending institution, but no Mortgage secured by the Common Area or any of the improvements maintained by the Association shall be given in connection with such loan) or (iii) any combination of the provision of services or materials toward satisfaction of Common Expenses, including (payment for such services or materials directly to the providers thereof, or (ii) Declarant may advance funds to the Association sufficient to satisfy the deficit, if any, between the Association's actual operating expenses and the sum of the assessments assessed by the Association in any fiscal year. Such advances shall, upon request of Declarant, be evidenced by promissory notes from the Association in favor of Declarant. Declarant's failure to obtain a promissory note shall not invalidate the debt., or (iii) providing, directly or indirectly, to or for the Association, services or materials related to Common Expenses (the value of which shall be determined by the Board in its reasonable discretion, giving due consideration to what the fair market value of such services or materials would be if they had been furnished by a Person other than Declarant).

Section 2. Purpose of Assessments. The assessment levied by the Association shall be used exclusively to promote the recreation, health, safety, and welfare of the residents in the Properties and in particular for the maintenance of the Permanent Common Open Space, including the maintenance, repair and

reconstruction of private streets, driveways, walks and parking areas situated on the Permanent Common Open Space, such maintenance to include the cutting and removal of weeds and grass and the removal of trash and rubbish or any other maintenance or for the use and enjoyment of the Permanent Common Open Space, including but not limited to, the cost of repairs, replacements and additions, the cost of labor, equipment, materials, management and supervision, the payment of taxes and public assessments assessed against the Permanent Common Open Space, the procurement and maintenance of insurance in accordance with this Declaration, the employment of attorneys to represent the Association when necessary, the provision of adequate reserves for the replacement of capital improvements including, without limiting, the generality of the foregoing, signs, paving, grading, landscaping and any other major expense for which the Association is responsible, and such other needs as may arise. The Association shall also maintain all entry features, and common areas, operate and maintain street lights (if not maintained and operated by a governmental entity) for the Community including the expenses for water and electricity, if any, provided to all such entry features; all storm water detention facilities and easements serving the Community (to the extent such facilities and easements are not maintained by a governmental entity); and all property outside of Lots located within the Community which was originally maintained by Declarant.

Section 3. Reserves. The Association shall establish and maintain an adequate reserve fund for the periodic maintenance, repair and replacement of improvements to the common area and those other portions of the Properties which the Association may be obligated to maintain. Such reserve fund is to be established out of regular assessments for common expense.

Section 4. Maximum Annual Assessment. Until January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment shall be \$1,500.00 per Lot (\$125.00 per month). There is also a working capital fee of \$1,000.00 due and payable upon the first conveyance of each Lot.

Section 5. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction,

reconstruction, repair or replacement of a capital improvement upon the Permanent Common Open Space, and in connection with exterior maintenance, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds ($\frac{2}{3}$) of the votes of each class of Members who are voting in person or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The Board of Directors may levy in any fiscal year of the Association, a Special Assessment payable over not more than the next three (3) succeeding years for the purpose of defraying, in whole or in part, operating deficits or the cost of any construction, reconstruction, repair or replacement of the community facilities, including fixtures and personal property related thereto or upon public lands within the property; provided, however that nothing contained herein shall require the Declarant to become liable for any Special Assessment levied pursuant to this Section.

Section 6. Notice and Quorum for Any Action Authorized Under Sections 4 and 5. Written Notice of any meeting called for the purpose of taking any action authorized under Section 3 or 4 shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast sixty percent (60%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half ($\frac{1}{2}$) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Uniform Rate of Assessment. Both annual and special assessments shall, except as herein otherwise specifically provided, be fixed at a uniform rate for all Lots and shall be collected on a monthly basis, provided, however, that the assessment for Lots owned by Declarant which are not occupied as a residence, may be a lesser amount as fixed by the Board of Directors of the Association.

Section 8. Date of Commencement of Annual Assessments; Due Dates. The annual assessments provided for herein shall commence as to a Lot on the first day following the conveyance of such Lot. Such annual assessments shall be paid at a frequency determined by the Board of Directors. The Board of Directors shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each

annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth the assessments on a specified Lot have been paid. Any certificate so given shall be conclusive evidence of payment of the assessments stated therein.

Section 9. Effect of Nonpayment of Assessments; Remedies of the Association. Each Owner, by accepting a deed for any Lot, covenants and agrees to timely pay all assessments, together with a late fee after ten (10) days of ten-percent (10%) of the amount of the assessment being overdue or such higher rate as the Board may establish, in compliance with the North Carolina Planned Community Act, General Statutes of North Carolina Sections 47F-1-101 through 47F-3-122, as amended from time to time (the "Act") and otherwise subject to the limitations of North Carolina law), late charges as determined by Board resolution, management fees incurred in connection with delinquency, costs, and reasonable attorneys' fees, shall be the personal obligation of each Owner and a lien upon each Lot until paid in full. Upon a transfer of title to a Lot, the grantee of title shall be jointly and severally liable for any assessment and other charges due at the time of conveyance.

The Board's failure to establish or obtain Member approval of assessment amounts or rates, if required hereunder, or the Board's failure to deliver or mail to each Owner an assessment notice shall not be deemed a waiver, modification, or a release of any Owner from the obligation to pay. In such event, each Owner shall continue to pay assessments on the same basis as during the last fiscal year for which an assessment was made, if any, until a new assessment is levied, at which time the Association may retroactively assess any shortfalls in collections.

No Owner is exempt from liability for assessments by non-use of Common Area, abandonment of his or her Lot, or any other means. The obligation to pay assessments is a separate and independent covenant for which each Owner is jointly and severally liable. No diminution or abatement of assessments or set-off shall be claimed or allowed for any alleged failure of the Association or Board to take some action or

perform some function required of it, or for inconvenience or discomfort from the making of repairs or improvements, or from any other action taken by the Association or Board.

Common Expense caused by negligence or misconduct of an Owner, or a tenant or occupant of Owner may be assessed exclusively against the Owner or the Owner's Lot. Within ten (10) business days of receiving a written request from an Owner, Mortgagee or other person designated by the Owner, the Association shall furnish to the requesting party or other Person designated in the written request, a certificate in writing signed by an Association officer setting forth the amount of any unpaid assessments against the applicable Lot. Such certificate shall be conclusive evidence of payment or non-payment. The Association may require the advance payment of a reasonable processing fee for the issuance of such a certificate. The Association may bring an action at law against the Owner personally obligated to pay the same or foreclose the lien against the property in the same manner in which Deeds of Trust may be foreclosed under Power of Sale pursuant to Chapter 45 of the N.C. General Statutes, or its successors, and in either event interest, costs and reasonable attorney's fees of any such action shall be added to the assessment. No Owner may waive or otherwise escape liability for the assessments provided for herein by nonuse of the Permanent Common Open Space or abandonment of his Lot. Should any deficiency remain after the foreclosure, the Association may also bring an action against the owner for said deficiency.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage and ad valorem taxes. Sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

Section 11. Exempt Property. All Properties dedicated to, and accepted by, a local public authority and all Properties owned by a charitable or nonprofit organization exempt from taxation by the laws of the State of North Carolina shall be exempt from the assessments created herein. However, no land or improvements devoted to dwelling use shall be exempt from said assessments.

Section 12. Working Capital Fund. At the time of closing of the sale of each unit a sum set by the Association Board for each unit shall be collected and transferred to the Association to be held as a working capital fund. The purpose of said fund is to insure that the Association Board will have adequate cash available to meet unforeseen expenses, and to acquire additional equipment or services deemed necessary or desirable. Amounts paid into the fund shall not be considered advance payment of regular assessments.

ARTICLE VI

ARCHITECTURAL CONTROL

No building, fence, wall or other structure shall be commenced, erected or maintained upon the Properties, nor shall any exterior addition to or change or alteration therein be made until the plans and specifications showing the nature, kind, shape, height, materials, and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Board of Directors of the Association, or by an architectural committee composed of three (3) or more representatives appointed by the Board (a "Reviewer"). In the event said Board, or its designated committee, fails to approve or disapprove such design and location within sixty (60) days after said plans and specifications have been submitted to it, approval will not be required and this Article will be deemed to have been fully complied with. Provided, however, that certain impervious surface area limitations may prohibit the construction of improvements that require impervious surface. Declarant makes no warranty or representation, express, implied, or otherwise that any additional impervious area will ever be made available to any Lot, and by acceptance of a deed for any Lot, each Owner acknowledges and understands the foregoing disclaimer and agrees that it is not acquiring its Lot with any expectation or reliance that any additional impervious surface area will ever be allocated or available to its Lot. Should additional impervious surface area allowance become available to the Declarant, then the Association will made devise a procedure to allocate such allowance to the Lot owners in a fair and impartial manner. However, no approval, whether expressly granted or deemed granted pursuant to the foregoing, shall be inconsistent with the architectural guidelines promulgated by the Association (the "Architectural Guidelines") unless the Reviewer has granted a variance.

Notice shall be deemed to have been given at the time the envelope containing the response is deposited with the U.S. Postal Service. Personal delivery of such written notice shall, however, be sufficient and shall be deemed to have been given at the time of delivery to the applicant unless such Owner has provided an electronic mail (e-mail) address and regularly communicated from and to such e-mail address with the Association or any of its constituent members.

Each Owner acknowledges that the Persons reviewing applications under this Article will change from time to time and that opinions on aesthetic matters, as well as interpretation and application of the Architectural Guidelines, may vary accordingly. In addition, each Owner acknowledges that it may not always be possible to identify objectionable features until work is completed, in which case it may be unreasonable to require changes to the improvements involved, but the Reviewer may refuse to approve similar proposals in the future. Approval of applications or plans, or in connection with any other matter requiring approval, shall not constitute a binding precedent in any other matter or waiver of the right to withhold approval as to any similar applications, plans, or other matters subsequently or additionally submitted for approval.

The Reviewer may authorize variances from compliance with any of its guidelines and procedures when circumstances such as topography, natural obstructions, hardship, or aesthetic or environmental considerations require, but only in accordance with duly adopted rules and regulations. No variance shall (a) be effective unless in writing; (b) be contrary to this Declaration; or (c) estop the Reviewer from denying a variance in other circumstances. For purposes of this Section, the inability to obtain approval of any governmental agency, the issuance of any permit, or the terms of any financing shall not be considered a hardship warranting a variance.

ARTICLE VII

ANNEXATION OF ADDITIONAL PROPERTIES

Section 1. Annexation of additional property shall require approval from the Declarant, and shall be required to occur within ten (10) years from the date of this instrument, provided, however, that all annexations of additional properties to the original development described in Article I hereof must contain a minimum of five (5) acres, be contiguous to the property described in Article I hereof or property previously annexed. Provided further, that no annexation of additional property shall have the effect of placing the original development in violation of the Town Zoning Ordinances.

Section 2. Annexation of additional Properties shall be accomplished by recording in the County Registry a Declaration of Annexation, duly executed, describing the lands annexed and incorporating the provisions of this Declaration, either by reference or by fully setting out said provisions of this Declaration. The additional lands shall be deemed annexed to the Properties on the date of recordation of the Declaration of Annexation, and in the case of an annexation by the Declarant, no action or consent on the part of the Association or any other person or entity shall be necessary to accomplish the annexation.

Section 3. Prior to the conveyance of the last lot in any newly annexed area, the Declarant shall deliver to the Association one or more deeds conveying fee simple title to any Permanent Common Open Space within the lands annexed free and clear of all encumbrances and liens except utility, storm drainage and greenway easements.

ARTICLE VIII

INSURANCE

Section 1. Insurance coverage on the Property shall be governed by the following provisions:

(a) *Ownership of Policies.* All insurance policies upon the common area shall be purchased by the Association for the benefit of all the Association and the Owners.

(b) *Coverage.* All buildings and improvements and all personal property included in the Permanent Common Open Space and facilities shall be insured in an amount equal to one hundred percent (100%) insurable replacement value as determined annually by the Association with the assistance of the insurance company providing coverage. Such coverage shall provide protection against:

- (i) Loss or damage by fire and other hazards covered by the standard coverage endorsement, and
 - (ii) Such other risks as from time to time shall be customarily covered with respect to buildings on the land, if any.
 - (iii) Such policies shall contain clauses providing for waiver of subrogation.
- (c) *Liability.* Public liability insurance shall be secured by the Association with limits of liability of no less than One Million and No/100 Dollars (\$1,000,000.00) per occurrence and shall include an endorsement to cover liability of the Owners as a group to a single Owner. Directors and officers' liability insurance shall be secured by the Association with limits of liability no less than One Million and No/100 Dollars (\$1,000,000.00) per occurrence. There shall also be obtained such other insurance coverage as the Association shall determine from time to time to be desirable and necessary.
- (d) *Premiums.* Premiums for insurance policies purchased by the Association shall be paid by the Association and charged to the Owners as an assessment according to the provisions of Article V above.
- (e) *Proceeds.* All insurance policies purchased by the Association shall be for the benefit of the Association and the Owners and their mortgagees as their interest may appear, and shall provide that all proceeds thereof shall be payable to the Association as insurance trustees under this Declaration. The sole duty of the Association as insurance trustees shall be to receive such proceeds as are paid and to hold the same in trust for the purposes stated herein or stated in the By-Laws and for the benefit of the Owners and their mortgagees in the following shares:
- (i) Proceeds on account of damage to Permanent Common Open Space and facilities held for the Association.
 - (ii) In the event a mortgagee endorsement has been issued for any Lot, the share of the Owner shall be held in trust for the mortgagee and the Owner as their interests may appear.

Section 2. Distribution of Insurance Proceeds. Proceeds of insurance policies received by the Association as insurance trustee shall be distributed to or for the benefit of the beneficial Owners in the following manner:

(a) *Expense of the Trust.* All expenses of the insurance trustees shall be first paid or provisions made therefor.

(b) *Reconstruction or Repair.* The remaining proceeds shall be paid to defray the cost of repairs. Any proceeds remaining after defraying such cost shall be distributed to the beneficial Owners as above provided.

Section 3. Fidelity Insurance or Bond. All persons responsible for or authorized to expend funds, or otherwise deal in the assets of the Association or those held in trust, shall first be bonded by a fidelity insurer to indemnify the Association for any loss or default in the performance of their duties in an amount equal to six (6) months' assessments plus reserves accumulated.

ARTICLE IX

USE RESTRICTIONS

Section 1. Rules and Regulations. The Board of Directors of the Association shall have the power to formulate, amend, publish, and enforce reasonable rules and regulations concerning the use and enjoyment of each Lot and the Permanent Common Open Space. Such rules and regulations may provide for imposition of fines or penalties for the violation thereof, or for the violation of any of the covenants and conditions contained in this Declaration.

Section 2. Use of Properties. No portion of the Properties (except for temporary offices of the Declarant and/or any model used by Declarant) shall be used except for residential purposes and for purposes incidental or accessory thereto.

Section 3. Animals. No animals, livestock or poultry of any kind shall be kept or maintained on any Lot or in any dwelling except that for each Lot there shall be permitted up to a total of three (3) dogs or three (3) cats or a combination of dogs and cats not to exceed three (3) in total, no more than two (2) birds, and a reasonable number, as determined by the Board, of other usual and common household pets, subject to compliance with applicable local laws, codes and ordinances. In no event, however, shall monkeys, snakes, pigs, ferrets, or roosters be permitted in any Lot. Chickens and chicken coops are expressly

allowed provided that such coop is secure and kept in a clean and tidy fashion on such terms and conditions as the Association may further require.

Section 4. Dwelling Specifications. No dwelling shall be constructed or permitted to remain on any lot having an area of the main structure, heated and finished, exclusive of open porches and decks, of less than three thousand (3,000) square feet. All yard and setback requirements shall comply with the Town setback regulations.

No building shall be erected, altered, placed or permitted to remain on any lot other than one (1) detached single-family dwelling not to exceed two and one-half (2 ½) stories in height or thirty-six (36) feet and a private garage for not more than three (3) cars, but not less than two (2), and (with the approval of the Board of Directors of WYNDCREST Homeowners' Association or its Architectural Control Committee) an accessory building or structure for storage or other appropriate use, not in excess of two hundred fifty (250) square feet in area. No automobiles shall be parked on any street abutting any of the lots.

Section 5. Temporary Structures. No trailer, tent, shack, barn or other out building, except a private garage for not more than three (3) cars, shall be erected or placed on any lot covered by these covenants. No detached garage shall at any time be used for human habitation, either temporarily or permanently.

Section 6. Fences and Signs. No fence or fencing-type barrier of any kind shall be placed, erected, allowed or maintained upon any portion of the community, including any lot, without the prior written consent of the WYNDCREST Homeowners' Association or its designated Architectural Control Committee. The committee may issue guidelines detailing acceptable fence styles or specifications, but in no event shall hogwire, wood, or chainlink fencing be approved. No signs, except for sale signs when a house is listed for sale, shall be erected or allowed to remain on any lot except with the written consent of the Board of Directors.

Section 7. Accessory Buildings and Other Outdoor Structures. No accessory building of any nature whatsoever (including, but not limited to, detached garages, storage buildings, doghouses, and

greenhouses) shall be placed on any lot without the prior written approval of the Architectural Control Committee, with said committee to have the sole discretion relating to the location and type of accessory building which shall be permitted on any lot. Under no circumstances shall metal storage buildings be permitted. All accessory buildings must conform to the same architectural style as the residence located on the same lot.
