If the required quorum is not present at any meeting described above, with the exception of any meeting called to vote on the termination of this Declaration another meeting or meetings may be called subject to the giving or proper notice, and the required quorum at such subsequent meeting or meetings shall be one-half ($\frac{1}{2}$) of the required quorum at the preceding meeting.

Unless otherwise provided, any reference hereafter to "votes cast at a duly called meeting" shall be construed to be subject to the quorum requirements established by this section of this Article and any other requirements for such "duly called meeting" which may be established by the Bylaws of the Association. For the purpose of this section, "proper notice" shall be deemed to be given when given each Member not less than fifteen (15) days nor more than sixty (60) days prior to the date of the meeting at which any proposed action is to be considered.

ARTICLE IV

COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. The Declarant, hereby covenants, and each Owner of any portion of the Property (other than the Association) by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association, in addition to any assessments required under a Supplemental Declaration, the following: (1) annual assessments or charges, and (2) special assessments for capital improvements, emergencies, for example, severe storm damage, budget shortfalls and capital repairs, such assessments to be established and collected as hereinafter provided. The annual, special and special individual assessments, together with such interest thereon, monthly late fees, and the costs of collection thereof (including, without limitation, reasonable attorney fees and fees not to exceed \$225.00 in total per each act of delinquency, to be charged by the association or the associations managing agent for offsetting the costs of collection) as are hereinafter provided shall be a charge on the lot and shall be a charge on the lot and shall be a continuing lien upon each lot against which each such assessment is made and shall also be

the personal and continuing obligation of the owner of such lot at the time when the assessment became due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

The Association, upon an affirmative vote by the majority of the board of directors, may increase or decrease the amount charged by the association or the associations managing agent for offsetting the costs of collection, provided that written notice is provided to all owners of record at the time of said change.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety, and welfare of the residents in the Property and for the improvement and maintenance of Open Space and Common Areas (including without limitation storm water facilities, lakes, private drives or streets, recreation facilities), maintenance of easements and improvements, for the establishment of adequate reserves for the replacement of capital improvements, if any, located within the Common Area, Directors and Officers insurance, payment of management fees, payment of insurance premiums for contracts of hazard and liability insurance on the Common Area and on other portions of the Property and payment of local ad valorem taxes or governmental charges, if any, on the Common Area, exterior maintenance of the Townhomes, trash collection and maintenance of landscaped areas within the Property which are maintained by the Association and other expenses related to the Association and as approved by the Board of Directors.

Section 3. Maximum Annual Assessment. The Maximum Regular Annual Assessment, as set forth in the schedule herein below, and as is automatically increased annually pursuant to subparagraph (h) below, shall be levied by the Association and shall be in addition to Special Assessments and any assessments created by any Supplemental Declaration. If, however, the Board of Directors of the Association, by majority vote, determines that the important and essential functions of the Association may be properly funded by an Assessment less than the Maximum Regular Annual Assessment, it may levy such lesser Assessment; provided, however, so long as the Declarant is engaged in the development of properties which are subject to the terms of this Declaration, the Association may not reduce Assessments below those set out below without the written consent of the Declarant. The levy of an Assessment less than the Maximum Regular Annual Assessment in one (1) year shall not affect the Board's right to levy an Annual Assessment equal to the Maximum Regular Annual Assessment in subsequent years.

If the Board of Directors shall levy less than the Maximum Regular Annual Assessment for any Assessment year, such Annual Assessment shall automatically be five percent (5%) greater than the Annual Assessment levied for the previous Assessment year; provided, however, that the Board of Directors may, by majority vote, levy a greater or lesser Assessment if it shall determine that the important and essential functions of the Association will be properly funded by such greater or lesser Assessment.

If the Board of Directors shall levy less than the Maximum Regular Annual Assessment for any Assessment year and, thereafter, during such Assessment year, determine that the important and essential functions of the Association cannot be funded by such lesser Assessment, the Board may, by majority vote, levy a Supplemental Assessment. In no event shall the sum of the initial and Supplemental Assessments for that year exceed the applicable Maximum Regular Annual Assessment.

(a) From and after the execution date of this Declaration, the Maximum Regular Annual

Assessment shall be the sums calculated in accordance with the following Assessment Schedule, as shall be automatically increased in each instance by an inflation adjuster as set forth herein, and as may be increased pursuant to the provisions set forth immediately above:

Property Type	Maximum Regular Annual Assessment
Townhome Lot	\$1300 per Townhome Lot

(b) Property shall not be classified for purposes of these Covenants and these Annual Assessments as a Townhome Lot until the first day of the month following the recording of a plat in the Office of the Register of Deeds of **Durham** County, North Carolina, showing such Townhome Lot.

(c) For purposes of these Covenants and these Annual Assessments, all properties which have not been subdivided into and classified as Townhome Lots shall be classified as Unsubdivided Land and not subject to Assessments.

(d) Assessments shall be billed annually, quarterly, monthly or on such other basis as may be determined by the Board of Directors. The billing schedule shall be the same for all properties of a specified category; however, the Board of Directors, in its discretion, may establish different schedules for the billing of Assessments due from different categories of property. All Assessment bills shall be due and payable as determined by the Board of Directors; provided, however, that if the Board of Directors elects to utilize a Billing Agent, the Billing Agent shall set the date on which Assessment bills shall be due and payable. Further, the Board of Directors may authorize the billing of the Annual Assessment in different installment amounts throughout the year in order to provide adequate cash flow.

(e) The Board of Directors may authorize a billing agent (the "Billing Agent") to collect the Assessments provided for herein.

(f) The Owner of any assessable property which changes from one category to another during an Assessment year shall be billed an additional amount for the remaining full months of such year to reflect the category change.

(g) Except as provided herein from and after the date of the execution of this Declaration, the Maximum Regular Annual Assessment shall be automatically increased each year by an amount of five (5%) percent per year over the previous year, or the percentage increase between the first and last months of the thirteen (13) month period terminating at the end of the third (3rd) quarter of the previous Assessment year in the Consumer Price Index, U.S. City Average. All Items (1967-100) (hereinafter "C.P.I. ") issued by the U. S . Bureau of Labor Statistics in its monthly report entitled "The Consumer Price Index, U.S. City Average and Selected Areas", whichever of these two percentage figures is larger. If the C.P.I. is discontinued, then there shall be used the most similar index published by the United States Government that may be procured indicating changes in the cost of living.

Section 4. Special Assessments for Improvements and Additions. In addition to the Maximum Regular Annual Assessments authorized by Section 3 hereof, the Association acting through the Board of Directors may levy Special Assessments for the following purposes:

(a) For additions to the Common Areas.

(b) To provide for the necessary facilities and equipment to offer the services provided by the Association.

(c) To repay any loan made to the Association to enable it to perform its duties and functions and to offset unplanned expenses or recoup lost income from bad debt.

(d) To provide for Townhome exterior maintenance, repair and replacement.

(e) Such Special Assessment, before being charged, must have received the approval of the Members of the Association by the favorable vote of fifty-one percent (51 %) of the votes cast at a duly called meeting of the Association, or of the Class B Members, whichever the case may be, subject to the quorum requirements established herein by each class of voting members.

This provision shall be interpreted to mean that the Association may make in any one (1) year an Annual Assessment up to the maximum set forth herein, plus an additional Special Assessment. The fact that the Association has made an Annual Assessment for an amount up to the Maximum Regular Annual Assessment shall not affect its right to make a Special Assessment during the year.

The proportion of each Special Assessment to be paid by the Owners of the various classifications of assessable property shall be equal to the proportion of the Annual Assessments levied for the Assessment year during which such Special Assessments are approved by the Members. In no event shall a Special Assessment be levied during the time period where the Class B Member has 51% or more of the eligible votes.

Section 5. Reserve Funds. The Association shall establish reserve funds from its Annual Assessments to be held in reserve in an interest drawing account as a reserve for:

(a) Major rehabilitation or major repairs;

(b) For emergency and other repairs required as a result of storm, fire, natural disaster or other casualty loss; and

(c) Initial costs of any new service to be performed by the Association.

(d) Private Street maintenance and repair, if applicable.

(e) Townhome exterior maintenance, repair and replacement.

(f) Municipality mandated stormwater bond and/or certificate of deposit for maintenance of stormwater facilities.

Section 7. Change in Maximum Amounts of Annual Assessments Upon Merger or Consolidation. The limitations regarding assessments set forth herein shall apply to any merger or consolidation in which the Association is authorized to participate under the provisions herein and under the By-Laws of the Association.

Section 8. Date of Commencement of Annual Assessments, Due Date. Notwithstanding anything in the foregoing to the contrary, the Annual Assessments provided for herein shall commence no earlier

than the time of the transfer of a Townhome Lot following the issuance of a Certificate of Compliance/Occupancy or similar instrument for the dwelling constructed on said Lots to a purchaser. In any event, nothing herein shall be construed to require the Declarant to pay any annual assessments. However, so long as there are Class B Members, the Declarant shall fund deficiencies in the budget of the Association upon request of the Board of Directors. Further, there shall be paid to the Association at the time of the first transfer of each and every Townhome Lot following the issuance of a Certificate of Compliance or similar instrument for the dwelling constructed on said Lots an amount of **working capital** equal to two months equivalent of the amount of the Annual Assessment then in effect in order to establish a working capital fund. Also, in addition, there shall be paid to the Association at the time of the first transfer of each and every Townhome Lot following the issuance of a Certificate of Compliance or similar instrument for the dwelling constructed on said Lots the sum of **\$ 50.00** to provide working capital for the municipality mandated stormwater bond and/or certificate of deposit for maintenance of stormwater facilities. All such amounts shall be in addition to and shall not be considered an advance payment of any portion of the Annual Assessment.

Section 9. Duties of the Board of Directors. The Board of Directors of the Association shall fix the amount of the Annual Assessment against each Townhome Lot within the Assessment Schedule as provided herein above, and shall, at that time, direct the preparation of an index of the Properties and Annual Assessments applicable thereto, and any Special Assessments applicable thereto, which shall be kept in the office of the Association and which shall be open to inspection by any Member. Written notice of Assessment shall thereupon be sent to every Member subject thereto.

The Association shall upon demand at any time furnish to any Owner liable for said Assessments a certificate in writing signed by an Officer of the Association, setting forth whether said Assessments have been paid. Such certificate shall be conclusive evidence against all but the Owner of payment of any Assessment therein stated to have been paid. If the Board of Directors authorizes a Billing Agent to collect Assessments, the Certificate of the said Billing Agent shall be conclusive evidence against all but the Owner of payment of any Assessment therein stated to have been paid. The Board of Directors may charge the Owner a reasonable fee for providing the certificate or direct that such fee be paid to the Association's management company. The Declarant may not be charged such a fee upon the initial sale of a Townhome Lot.

Section 10. Payment and Collection of Assessments. If the Annual Assessment or any Special Assessment is not paid on or before the past due date specified in the assessment bill (the "Assessment Bill") as mailed to the Owner(s), then such Assessment shall become delinquent and shall (together with interest thereon at the maximum annual rate permitted by law from the due date and cost of collection thereof including a reasonable attorney's fee as hereinafter provided and applicable late fees) become a charge and continuing lien on the land and all improvements thereof, against which each such Assessment is made, in the hands of the then Owner, his heirs, devisees, personal representatives and assigns. Additionally the Board of Directors may impose the maximum late charge on any unpaid sum allowed by law.

If the Assessment is not paid within thirty (30) days after the past due date indicated in the Assessment Bill, the Association may, in addition to enforcing a lien as provided hereunder, bring an action at law against the Owner personally and there shall be added to the amount of such Assessment the costs of preparing the filing of the Complaint in such action and a reasonable attorney's fee, and in the event a judgment is obtained, such judgment shall include interest on the Assessment as above provided and a reasonable attorney's fee together with the costs of the action. The lien of the assessment shall be as

of the due date of the assessment indicated in the Assessment Bill.

In the event an Officer or Director is has delinquent assessments more than sixty (60) days past due, said Officer or Director is automatically removed from office.

If the Board of Directors of the Association elects to utilize a Billing Agent to collect Assessments, interest which shall accrue on past due sums will be the maximum interest rate which such agent may lawfully charge.

Further, the Association may in addition to the other remedies provided for hereunder, suspend an owner's right to use any recreational facilities which may constitute a part of the Common Area for such time as an assessment remains unpaid as provided in Section 1 of Article XI hereunder.

Section 11. Subordination of the Lien. The Lien of the Assessments provided for herein shall be subordinate to the lien of any first deed of trust now or hereafter placed upon any portion of the Property. In the event a creditor acquires title to any property subject to Assessment pursuant to foreclosure or any other proceeding or deed in lieu of foreclosure, said creditor shall be subject to Assessments accruing after such acquisition.

Section 12. Exempt Property. The following property, individuals, partnerships or corporations subject to this Declaration shall be exempted from the Assessment, charge and lien created herein:

- (a) All lands and any improvements thereon designated in any way as Common Area.
- (b) All lands and any improvements thereon committed to the Association through express written notification by the Declarant to the Association of intent to convey to the Association.
- (c) Open Space Areas herein.
- (d) Property which is used for the maintenance, operation and service of facilities within Common Areas.
- (e) Property which is used for the maintenance, operation and service of utilities within the Property.
- (f) The grantee in conveyances made for the purpose of granting utility easements.

Section 13. Annual Statements. The President, Treasurer or such other Officer as may have custody of the funds of the Association shall annually, within ninety (90) days after the close of the fiscal year of the Association, prepare and execute under oath a general itemized statement showing the actual assets and liabilities of the Association at the close of such fiscal year and a statement of revenues, costs and expenses. It shall be necessary to set out in the statement the name of any creditor of the Association, provided, however, that this requirement shall be construed to apply only to creditors of more than One Thousand and No/100 Dollars (\$1,000.00). Such Officer shall furnish to each Member of the Association, who may make request therefor in writing, a copy of such statement within thirty (30) days after receipt of such request. Such copy may be furnished to the other Member either in person or by mail. Any holder of a first mortgage on a Townhome Lot shall be entitled upon written request to a financial statement for the immediately preceding fiscal year.

Section 14. Annual Budget. The Board of Directors shall prepare and adopt, at least thirty (30) days prior to the Annual Meeting of the Association, a proposed budget outlining anticipated receipts and expenses for the upcoming fiscal year. Within sixty (60) days after adoption of the proposed budget, the Board of Directors shall send to all Owners a written summary of the budget which may be sent together with the notice of the Annual Meeting. The summary of the budget or the notice of meeting, if sent together therewith, shall include a statement that the budget may be ratified without a quorum. The Annual Meeting shall be held not less than ten (10) nor more than sixty (60) days after mailing of the summary and notice. For purposes of the ratification of the budget, there shall be no requirement that a quorum be present at the meeting. The proposed budget shall be ratified unless at that meeting a majority of the votes of the Membership of the Association reject the proposed budget. In the event the proposed budget is rejected, the periodic budget last ratified, or otherwise then in effect, shall be continued until such time as the Owners ratify a subsequent budget proposed by the Board of Directors. The financial books of the Association shall be available for inspection by all Members at all reasonable times.

Section 15.

Section 15.1. Insurance. It shall be the responsibility of each Owner, at his own expense, to obtain hazard insurance in an amount sufficient to cover the full replacement cost of any repair or reconstruction work in the event of damage or destruction to his Townhome from any hazard. The hazard insurance shall be with a company, in an amount, and in a form which is acceptable to the Association's Board and shall include a loss payable clause listing the Association as an additional insured. Each Owner shall satisfy the Association's Board that at all times his property is covered by the required hazard insurance.

In the event of damage to an Owner's property, the Owner shall contract to rebuild or repair such damaged portions of the property in as good condition as formerly. In the event the Owner fails to commence, and thereafter diligently pursue, the repair or rebuilding of its property to the same condition as formerly within one hundred eighty days, the Association's Board, upon obtaining the required Member approval, shall have the power to purchase the Owner's property, to repair and rebuild the same and the adjoining party wall(s), and to levy a Special Assessment, as set forth herein, against all Members to pay the purchase price and the costs of repairing and/or rebuilding. In the event the Association exercises its repair/rebuild rights under this Section, the Association shall be entitled to receive and use any and all insurance proceeds payable under the policy to the extent necessary to repair/rebuild the damaged property.

In the event of damage to any property covered by insurance written in the name of the Association, the Association's Board shall, with concurrence of the mortgagee, if any, upon receipt of the insurance proceeds, contract to rebuild or repair the damage to as good condition as formerly. In the event the insurance proceeds are insufficient to pay all of the costs of repairing and/or rebuilding to the same condition as formerly, the Association's Board shall, upon obtaining the required Member approval, levy a Special Assessment against all Members to make up any deficiency.

No Owner shall do or keep anything on the Property which shall cause an increase in the premiums for or the cancellation of any insurance maintained by the Association.

Section 15.2. Party Wall. Each wall which is built as a part of the original construction of the Townhome and placed on the dividing line between the Lots and all reconstruction or extensions of such walls shall constitute party walls. To the extent not inconsistent with the provisions of this Article, the

general rules of law regarding party walls, lateral support, in-below ground construction and of liability for property damage due to negligence or willful acts or omissions shall apply.

The cost of reasonable repair and maintenance of a party wall shall be shared by the Owners who make use of the wall in proportion to such use.

If a party wall is destroyed or damaged by fire or other casualty, any Owner who has used the wall may restore it. If other Owners make use of the wall, they shall contribute to the cost of restoration thereof in proportion to such use; subject, however, to the right of any Owners to call for a larger contribution from the others under any rule of law regarding liability for negligence or willful acts or omissions.

The Owner may construct or reconstruct a party wall subject to and within the limitations of architectural control and other limitations of this Declaration with the right to go upon the adjoining Lot to the extent reasonably necessary to perform the construction. The construction shall be done expeditiously. Upon completion of the construction, the Owner shall restore, as is reasonably practicable, the adjoining Lot to as near the same condition which prevailed on or before the commencement of the construction.

Notwithstanding any other provisions of this Article, an Owner who, by his negligence or willful act, causes the party wall to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against those elements.

The right of any Owner to contribution from any other Owner under this Article shall be appurtenant to the land and shall pass to the Owners' successors in title.

If any Owner desires to sell his Townhome, he may, in order to assure a prospective purchaser that no adjoining Owner(s) has a right of contribution as provided in this Article, request that the adjoining Owner(s) provide a certification that no right of contribution exists. It shall be the duty of each adjoining Owner to make such certification immediately upon request and without charge; provided, however, that where the adjoining Owner claims a right of contribution, the certification shall contain a recital of the amount claimed. In the event an adjoining Owner refuses or neglects to provide such certification, it shall be deemed a waiver to proceed against such Owner or his successors for any contributions which may have accrued to that date. These certificates shall be conclusive evidence as to third parties acting on reliance on the statement.

Section 15.3. Exterior Maintenance. In addition to maintenance of the Common Areas, the Association shall provide exterior maintenance for each Townhome Lot following the issuance of a Certificate of Compliance/Occupancy or similar instrument for the dwelling constructed on said Lot and transferred to a purchaser as follows: Paint, repair and replace exterior Building surfaces, roofs, front porch rails, if applicable, gutters and downspouts, if applicable; maintenance of trees, shrubs, grass, walks, and driveways within the Common Areas; and maintenance of all other exterior Improvements initially installed by Builder. This exterior maintenance shall not include any maintenance specifically designated as the Owner's responsibility in this paragraph or elsewhere in this Declaration. In order to enable the Association to accomplish the foregoing, it is reserved to the Association the right to unobstructed access over and upon each Lot and each Townhome at all reasonable times to perform maintenance as provided in this section. The Owner shall not place any furniture, place or construct any Improvements, or plant any vegetation in the front yard or, except with the prior approval required by this

Declaration, in the rear yard of a Lot. After receiving the required approval, the Owner may plant flowers and grass in his rear yard and may also maintain portions or all of his rear yard, provided that such maintenance by the Owner does not hinder the Association in performing its exterior maintenance obligations. In that event, the Owner shall maintain such plantings or other maintenance. No such maintenance by an Owner shall reduce the assessment payable by him to the Association. If, in the opinion of the Association, any Owner fails to maintain his rear yard in a neat and orderly manner, the Association may perform the required maintenance and assess Owner for those costs.

Maintenance, upkeep, and repairs of any patio, deck, porch decking, HVAC equipment, screens and screen doors, exterior doors, storm doors and storm windows, exterior electrical outlets, exterior lights, exterior faucets, dryer vents and windows and window fixtures and other hardware shall be the sole responsibility of the individual Owner of the Lot and not in any manner the Association's. Any cooperative action necessary or appropriate to the proper maintenance and upkeep of all exterior portions and roofs of the Townhomes and of the Common Areas, including, but not limited to, recreation and parking areas and walks and private streets, shall be taken by the Association or by its duly delegated representatives. All fixtures and equipment installed with a Townhome commencing at a point where the utility lines, pipes, wires, conduits, or systems are within the Townhome's exterior walls, including the courtyards, shall be maintained and kept in repair by the Owner thereof. An Owner shall do no act, nor any work that will impair the structural soundness or integrity of another Townhome, nor impair any easement or hereditament, nor do any act or allow any condition to exist which will adversely affect other Townhomes or their Owners. All private utility systems (other than those serving a single Lot and those systems in public easements and public streets) located outside the exterior walls and/or within the Common Areas shall be maintained by the Association as a common expense. All public utility systems located outside the exterior walls and within the utility easements shall be maintained by the appropriate utility company or governmental authority.

In the event that the need for maintenance or repair is caused through the willful or negligent act of the Owner, his family guests, tenants, contractors, employees or invitees, or is caused by any hazard covered under a North Carolina Standard Fire and Extended Coverage Insurance policy, and is not otherwise paid, the cost of such maintenance or repair may be added to and become a part of the Assessment to which the Lot is subject.

The Association shall establish regulations governing the procedure for exterior maintenance. In the event any Owner desires to expend a sum greater than that sum authorized by the Association, he/she shall advance to the Association, prior to the commencement of work an amount necessary to cover the additional expenses and a lien shall be established against the Owner's Lot for any deficiency.
