**STORMWATER CONTROL STRUCTURE AND ACCESS  
EASEMENT AND AGREEMENT (Corporate)**

THIS STORMWATER CONTROL STRUCTURE AND ACCESS EASEMENT AND AGREEMENT, made this day 16<sup>th</sup> of July, 2014, by Epcon GLC-Cary, LLC whose principal address is 500 Stonehenge Parkway, Dublin, OH 43017 (hereafter "Grantor"), with, to, and for the benefit of the Town of Cary, a municipal corporation of the State of North Carolina, whose address is P.O. Box 8005, Cary North Carolina 27512-8005 (hereinafter "Grantee" or "Town").

WITNESSETH:

**WHEREAS**, Grantor is the owner in fee simple of certain real property, situated in the Town of Cary, County of Wake, North Carolina and more particularly described as follows:

Courtyards at Cary

It being the same land conveyed to the Grantor by deed recorded in Deed Book 015097 at Page 00985 in the Office of the Register of Deeds for Wake County (hereafter referred to as "Property"); and

**WHEREAS**, the property is located within the planning jurisdiction of the Town of Cary, and is subject to certain requirements set forth in the Land Development Ordinance of the Town, (hereafter "Cary LDO"), as such may be amended from time to time; and

**WHEREAS**, one of the conditions for development of Property is the granting or dedication of a Stormwater Control Structure easement, which includes the implementation of certain watershed protection measures such as, but not limited to, the construction, operation and maintenance of engineered stormwater control structure(s) as provided in Cary LDO; the dedication of an access easement for inspection and maintenance of Stormwater Control Structure easement area and structures; and the assumption by Grantor of certain specified maintenance and repair responsibilities; and

**WHEREAS**, this Easement and Agreement has been procured in accordance with the requirements of N.C. G.S. Sec 143-211 et. seq. and Chapter 4, Part 4.4.6 of Cary LDO

**NOW, THEREFORE**, for a valuable consideration, including the benefits Grantor may derive therefrom, the receipt of which is hereby acknowledged, Grantor has dedicated, bargained and conveyed and by these presents does hereby dedicate bargain, sell, grant and convey unto the Grantee, its successors and assigns, a perpetual, and irrevocable right and easement in, on, over, under, through and across Property (1) for a Stormwater Control Structure easement ("hereafter SCS Easement") of the nature and character and to the extent hereinafter set forth, more particularly shown and described as Courtyards at Cary, Sht # 10.0, TOC project 12-SP-010, which is incorporated herein by reference; upon which Grantor shall construct, maintain, repair and reconstruct stormwater control structure(s), including detention pond(s), pipes and water control structures, berms and dikes, and shall establish and maintain vegetative filters and groundcovers; and (2) an access easement more particularly shown and described on Wake County Book of Maps 2014, Pages 954, for the purpose of permitting Town inspection and, if necessary, maintenance and repair of the SCS Easement and control structure(s) as more fully set forth herein and in Cary LDO.

The terms, conditions, and restrictions of the SCS Easement and Access Easement are:

1. The requirements pertaining to the SCS Easement are more fully set forth in Chapter 4, Part 4.4.6 of the Cary LDO and the "Operation and Maintenance Manual for Stormwater Control Structures Wet Detention Pond [# 1]" (hereafter "Operations and Maintenance Manual"), Prepared by Withers and Ravenel on 14 June 2014 a copy of which is on file in the Town of Cary Engineering Department. Grantor further agrees Grantor shall perform the following, all at its sole cost and expense:

- i. Monthly or after every runoff producing rainfall, whichever comes first:
  - a. Remove debris from trash rack.
  - b. Check and clear orifice of any obstructions.
  - c. Check pond side slopes; remove trash, repair eroded areas before next rainfall.

## II. Quarterly

- a. Inspect the collection system (i.e., catch basin, piping, grassed swales) for proper functioning. Clear accumulated trash from basin grates, and basin bottoms, and check piping for obstructions.
- b. Check pond inlet pipes for undercutting. Repair if necessary.
- c. Repair any broken pipes.
- d. Replace rip rap that is choked with sediment.

## III. Semi-Annually

- a. Remove accumulated sediment from bottom of outlet structure.
- b. Check pond depth at various locations. If depth is reduced to 75% of original design depth, remove sediment to original design depth.
- c. Reseed grassed swales twice yearly. Repair eroded areas immediately.

## IV. General

- a. Mow side slopes according to the season. Maximum grass height to be six (6) inches.
- b. Cattails are encouraged along pond perimeter; however, they must be removed when they cover the entire surface area of pond.
- c. All components of impoundment system to be kept in good working order.
- d. In case the ownership of the Impoundment Transfers, the current owner shall, within thirty (30) days of transfer of ownership, notify the Town of Cary Engineering Department, Stormwater Management Division of such ownership transfer.
- e. This property and impoundment is also subject to the Operation and Maintenance Manual filed with the register of deeds.

2. Grantor represents and warrants that Grantor is financially responsible for construction, maintenance, repair and replacement of all stormwater control structures, appurtenances and vegetation, including the impoundment. Grantor agrees to perform the maintenance as outlined above and in the Operations and Maintenance Manual in consideration of the Certificate of Compliance with stormwater regulations received for Property.

3. If Grantor fails to comply with these requirements, or any other obligations imposed herein, in Cary LDO or Operations and Maintenance Manual the Town of Cary may perform such work as Grantor is responsible for and recover the costs thereof from Grantor.

4. This Easement and Agreement gives the Grantee the following affirmative rights: Grantee, its officers, employees, and agents may enter SCS Easement and Access Easement whenever reasonably necessary for the purpose of inspecting same to determine compliance herewith, to maintain same and make repairs or replacements to

the stormwater control structure(s) and appurtenances and conditions as may be necessary or convenient thereto in the event Grantor defaults in its obligations and to recover from Grantor the cost thereof, and in addition to other rights and remedies available to it, to enforce by proceedings at law or in equity the rights, covenants, duties, and other obligations herein imposed.

The Grantor shall in all other respects remain the fee owner of Property and area subject to these easements, and may make all lawful uses of Property not inconsistent with these easements.

The Grantee does not waive or forfeit the right to take action to ensure compliance with the terms, conditions and purposes of this Easement and Agreement by a prior failure to act.

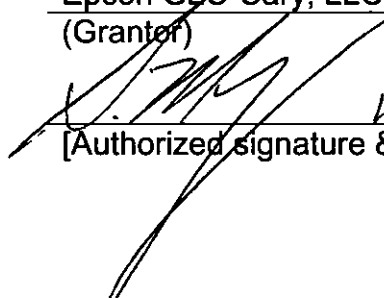

The Grantor agrees that the terms, conditions and restrictions of this easement will be inserted by Grantor in any subsequent deed or other legal instrument by which he divests himself of either the fee simple title to or possessory interests in the subject property. The designation Grantor and Grantee shall include the parties, their heirs, successors and assigns.

TO HAVE AND TO HOLD the aforesaid rights, privileges, and easements herein granted to the Grantee, its successors and assigns forever and the same Grantor does covenant and that Grantor is seized of said premises in fee and has the right to convey the same, that except as set forth below the same are free from encumbrances and that Grantor will warrant and defend the said title to the same against claims of all persons whosoever.

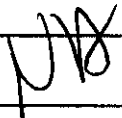

The covenants agreed hereto and the conditions imposed herein shall be binding upon the Grantor and its agents, personal representatives, heirs and assigns and all other successors to Grantor in interest and shall continue as a servitude running in perpetuity with the above described land.

IN WITNESS WHEREOF, the Grantor has caused this instrument to be signed in its corporate name by its duly authorized officers and its seal to be hereunto affixed by authority of its Board of Directors, the day and year first above written.
